Background

On October 3, 2016, Commerce published in the **Federal Register** the countervailing duty order on hot-rolled steel from Korea.¹ On November 14, 2024, Commerce initiated this administrative review of the *Order*.² On December 17, 2024, Commerce selected Hyundai Steel and POSCO as the mandatory respondents in this review.³

On December 9, 2024, Commerce tolled certain deadlines in this administrative proceeding by 90 days.⁴ On September 17, 2025, Commerce extended the deadline for the preliminary results of this administrative review by 120 days.⁵ Further, due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁶ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines

Scope of the Order

The product covered by the *Order* is hot-rolled steel from Korea. For a complete description of the scope of the *Order*, *see* the Preliminary Decision Memorandum.

Rescission of Administrative Review, In Part

On March 9, 2026, Commerce notified interested parties that we intended to rescind this administrative review for 13 companies for which the record information shows no suspended entries of subject merchandise during the POR.⁹ No parties commented on the notification of intent to rescind the review, in part. Therefore, we find that there were no entries of subject merchandise during the POR by the 13 companies listed in Appendix II. As a result of our finding, we are rescinding this review, in part, pursuant to 19 CFR 351.213(d)(3), with respect to these companies. For further information regarding this determination, *see* “Rescission of Administrative Review, in Part” section in the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a

benefit to the recipient, and that the subsidy is specific.¹⁰ For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rates exist for the POR, January 1, 2023, through December 31, 2023:

Company	Subsidy rate (percent <i>ad valorem</i>)
Hyundai Steel Company ¹¹ ...	1.28
POSCO ¹²	3.71

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Verification

On February 24, 2025, Nucor Corporation, a domestic interested party, requested that Commerce conduct verification in this review.¹³ In July 2025, as provided in section 782(i)(3) of the Act, we verified Hyundai Steel’s information relied upon for the preliminary results of this review.¹⁴

¹⁰ *See* sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

¹¹ Hyundai Steel Company is also known as Hyundai Steel Co., Ltd. Further, as discussed in the Preliminary Determination Memorandum, Commerce has found Hyundai Green Power and Hyundai ITC Co., Ltd. to be cross-owned with Hyundai Steel.

¹² As discussed in the Preliminary Decision Memorandum, Commerce has found the following companies to be cross-owned with POSCO: POSCO Holdings, POSCO M-Tech, POSCO Future M, POSCO Mobility Solutions, and POSCO Nippon Steel RHF Joint Venture Co., Ltd. We note that POSCO has an affiliated trading company through which it exported certain subject merchandise, POSCO International Corporation (POSCO International). POSCO International was not selected as a mandatory respondent, but was examined in the context of POSCO. Therefore, because POSCO International’s subsidies are included as part of POSCO’s total subsidy rate, we have not assigned a subsidy rate to POSCO International. Entries of subject merchandise exported by POSCO International will receive the rate of the producer listed on the U.S. Customs and Border Protection (CBP) entry form.

We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁸

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies listed in Appendix II for which the review is being rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2023, through December 31, 2023, in accordance with 19 CFR

351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

For the companies remaining under review, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at the subsidy rates calculated in the final results of this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. If the rates calculated in the final results are zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless the deadline is extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: April 7, 2026.
