A. Overview of Information Collection

Title of Information Collection: Ginnie Mae Mortgage-Backed Securities Programs.

OMB Approval Number: 2503-0033.

Type of Request: Revision of Approved Collection.

Form Number: VI-20, is the only existing forms being updated as part of this action. VI-24, XI-01, XI0A, XI-01B,

are new forms to this collection. All other forms referenced in the collection remain active and unchanged.

Description of the need for the information and proposed use: The collection is needed to allow Ginnie Mae to execute its functions as mandated by the Housing and Urban Development Act of 1968. The collection consists of multifunctional transmittal forms which are completed by the issuers when requesting commitment authority and/or pool numbers. The frequency of use depends on the issuer's need for specific services from Ginnie Mae. There will be new forms or appendices. Appendix XI-01; XI-01A; XI-01B are new forms that will position an Issuer to request pass through assistance due to a declared

natural disaster or other unexpected, extreme event (pandemic). The Appendix VI-24 will request data that has been required monthly in the past but will now be required each time an event, the liquidation of a loan, occurs. There will be changes to Appendix VI-20 that will be requesting more detailed and recent financial data to better determine the financial health of the issuer.

An issuer can request both commitment authority and pool numbers within one request. If the issuer has available pool numbers but lacks a sufficient amount of commitment authority necessary to form pools, the issuer can apply for Commitment Authority only. An issuer may need to apply for Ginnie Mae Pool

Numbers only. This is done when an issuer has sufficient commitment authority available for use but needs pool numbers. There is no fee for requesting pool numbers.

There are two types of Commitment Authority a Ginnie Mae issuer may apply for: (1) Single Family or Single Line Commitment Authority which expires one year from date of approval and (2) Multifamily or Multi-Line Commitment Authority which expires two years from date of approval. There is only one type of Pool Numbers a Ginnie Mae issuer may apply for: Alpha-Numeric.Pool Numbers have no expiration date and can only be used once. The information is required by Section 306(g) of the National Housing Act or by Ginnie Mae Handbook 5500.3, Rev. 1.
