Certain Softwood Lumber Products From Canada: Preliminary Results and Partial Rescission of Countervailing Duty Administrative Review; 2024

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies were being provided to producers and exporters of certain softwood lumber products (softwood lumber) from Canada during the period of review (POR), January 1, 2024, through December 31, 2024. Commerce is also rescinding this review with respect to 56 companies. Interested parties are invited to comment on these preliminary results.

DATES: Applicable April 14, 2026.

FOR FURTHER INFORMATION CONTACT: Samuel Brummitt, Kristen Johnson, Elizabeth Talbot Russ, and T.J. Worthington, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-7851, (202) 482-4793, (202) 482-5516, and (202) 482-4567, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On January 3, 2018, Commerce published the countervailing duty (CVD) order on softwood lumber from Canada in the *Federal Register*.¹ Several interested parties requested that Commerce conduct an administrative review of the *Order* and, on February 21, 2025, Commerce published in the *Federal Register* a notice of initiation of the seventh administrative review.² On April 21, 2025, Commerce selected Resolute FP Canada Inc. (Resolute) and West Fraser Mills Ltd. (West Fraser) as the mandatory respondents in the administrative review.³

On August 1, 2025, Commerce extended the deadline for the preliminary results of this administrative review to January 30,

2026, in accordance with 19 CFR 351.213(h)(2).⁴ Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁵ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁶ Accordingly, the deadline for these preliminary results is now April 8, 2026.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁷ A list of topics discussed in the Preliminary Decision Memorandum is included in Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The products covered by this order are certain softwood lumber products from Canada. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR for an exporter or producer. Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review

period.⁸ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated CVD assessment rate for the review period.⁹

Based on our analysis of CBP data and comments received from interested parties, we determine that 56 producers/exporters, for which a review had been requested, had no reviewable shipments, sales, or entries of subject merchandise during the POR. Accordingly, absent evidence of a shipment on the record, Commerce is rescinding the administrative review of the companies listed in Appendix III of this notice, pursuant to 19 CFR 351.213(d)(3). For further information, see "Partial Rescission of Administrative Review" in the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is specific.¹⁰ For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum.

Preliminary Rate for Non-Selected Companies Under Review

There are 215 companies for which a review was requested and not rescinded but were not selected as mandatory respondents.¹¹ The statute and Commerce's regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the

weighted average of the countervailable subsidy rates established for producers and/or exporters individually examined, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, Commerce calculated individual estimated countervailable subsidy rates for Resolute and West Fraser, the mandatory respondents, that are not zero, *de minimis*, or based entirely on facts available. Therefore, we calculated a subsidy rate for the non-selected companies by weight-averaging the preliminary subsidy rates calculated for Resolute and West Fraser using each company’s publicly-ranged U.S. sales value for the subject merchandise during the POR. For further information on the calculation of the non-selected rate, see “Preliminary *Ad Valorem* Rate for Non-Selected Companies under Review” in the Preliminary Decision Memorandum.

Preliminary Results of Review

For the period January 1, 2024, through December 31, 2024, we preliminarily determine the following estimated countervailable subsidy rates:

Companies	Subsidy rate (percent <i>ad valorem</i>)
Resolute FP Canada Inc. and its cross-owned affiliates ¹²	11.70
West Fraser Mills Ltd. and its cross-owned affiliates ¹³	15.93
Non-Selected Companies ¹⁴	14.17

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), Commerce has preliminarily assigned the subsidy rates as indicated above. Pursuant to section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a). If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2024, through December 31, 2024, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 41 days after the date of publication of the notice of rescission in the **Federal Register**.

Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above for each of the respective companies listed above and in Appendix II with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed companies, we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless the deadline is extended, Commerce intends to issue the final results of this administrative review,

including the results of its analysis of the issues raised by parties in their comments, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.
