SUPPLEMENTARY INFORMATION:**Background**

On February 21, 2025, Commerce published in the **Federal Register** the notice of initiation of an administrative

review of the *Order*.¹ On April 8, 2025, Commerce selected Lucchini Mame Forge S.p.A (Lucchini) and Metalcam S.p.A. (Metalcam) for individual examination as the mandatory respondents in this administrative review.²

On September 12, 2025, Commerce extended the deadline for the preliminary results of this review until February 2, 2026.³ Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁴ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁵ Accordingly, the deadline for the preliminary results is now April 9, 2026.

For a complete description of the events that followed the initiation of this administrative review, *see* the Preliminary Decision Memorandum.⁶ A list of topics discussed in the Preliminary Decision Memorandum is included in the Appendix to this notice. Scope of the Order

The products covered by the *Order* are fluid end blocks from Italy. For a complete description of the scope of the *Order*, *see* the Preliminary Decision Memorandum.⁷

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review of the countervailing duty order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁸ Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period.⁹ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the countervailing duty assessment rate for the review period.¹⁰

On March 16, 2026, we issued a memorandum notifying parties of our intent to rescind this administrative review with respect to Forge Monchieri S.p.A. (Forge Monchieri).¹¹ We received no comments from interested parties regarding our intent to rescind the review with respect to Forge Monchieri. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding this administrative review with respect to Forge Monchieri, in accordance with 19 CFR 351.213(d)(3).

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each subsidy program found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the

subsidy is specific.¹² For a full description of the methodology underlying our conclusions, including our reliance, in part, on facts otherwise available with adverse inferences (AFA) pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

Rate for Non-Selected Companies Under Review

There are two companies, Cogne Acciai Speciali S.p.A. (CAS) and Officine Meccaniche Roselli S.r.l. (Roselli) for which a review was requested, which had reviewable entries, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. For these companies, because the rates calculated for the mandatory respondents, Lucchini and Metalcam, were above *de minimis* and not based entirely on facts available, we are applying to the non-selected companies the weighted average of the subsidy rates calculated for Lucchini and Metalcam, based on publicly-ranged sales data submitted by Lucchini and Metalcam. This methodology is consistent with our practice for establishing an all-others rate pursuant to section 705(c)(5)(A) of the Act.¹³

Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rates exist for the POR, January 1, 2024, through December 31, 2024:

Company	Subsidy rate (percent <i>ad valorem</i>)
Lucchini Mame Forge S.p.A ¹⁴	8.49
Metalcam S.p.A ¹⁵	10.89
Review-Specific Average Rate Applicable to the Following Companies	
Cogne Acciai Speciali S.p.A Officine Meccaniche Roselli S.r.l.	9.15
	9.15

Assessment Rates

In accordance with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), we preliminarily assigned subsidy rates in the amounts shown above for the producers/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For the companies listed above for which this review is rescinded with these preliminary results, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2024, through December 31, 2024, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts calculated in the final results of this review for the respective companies listed above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this

administrative review. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.

For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Final Results of Administrative Review

Unless extended, Commerce intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days after the date of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Notification to Interested Parties

The preliminary results and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).
