

emerging technology companies and commercializing new technologies;

- Tribal or small community infrastructure financing;
- Legal and regulatory background in operations of private capital allocators (family office, private equity) and representation of entrepreneurs in various technology mediums; and
- Impact measurement, performance analytics, or metrics development for environmental and economic outcomes.

The Board seeks to maintain balance across a broad range of constituencies, sectors, and geographic regions. EPA will consider candidates from all levels of government; the finance, banking, and legal communities; business and industry; academic and research institutions; and local, national, and non-governmental organizations, consistent with the requirements of FACA and the Board’s charter.

How To Submit Nominations

Any interested person or organization may nominate qualified person(s) to be considered for appointment to the EFAB. Individuals may self-nominate.

Nominations can only be submitted via email to efab@epa.gov with the subject line “EFAB 2026 NOMINATION.” Nominations should include the following information:

- Contact information for the person making the nomination;
- Contact information for the nominee (if different), including full name and title, business mailing address, telephone, and email address;
- The specific areas of experience or expertise of the nominee, with reference to the expertise areas identified above and the Board’s current charge questions;
- The nominee’s curriculum vitae or resume; and
- A biographical sketch of the nominee indicating current position and recent service on other Federal advisory committees or national professional

organizations. A supporting letter of endorsement is encouraged but not required.

Evaluation Criteria

The following criteria will be used to evaluate nominees:

- Residence in the United States;
- Professional knowledge of, and experience with, financing activities and/or technology commercialization;
- Senior-level experience that fills a gap in Board representation or brings a new and relevant dimension to the Board’s deliberations on its active charge;
- Demonstrated ability to work in a consensus-building process with a wide range of representatives from different constituencies; and
- Willingness to serve a two- or three-year term as an active and contributing member, with possible reappointment to a second term.

[OMB No. 3064–0029;–0177]

Agency Information Collection Activities: Proposed Collection Renewal; Comment Request

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice and request for comment.

SUMMARY: The FDIC, as part of its obligations under the Paperwork Reduction Act of 1995 (PRA), invites the general public and other Federal agencies to take this opportunity to comment on the renewal of the existing information collection described below

(OMB Control No. 3064–0029 and –0177).

DATES: Comments must be submitted on or before June 22, 2026.

ADDRESSES: Interested parties are invited to submit written comments to the FDIC by any of the following methods:

- *Agency Website:* <https://www.fdic.gov/resources/regulations/federal-register-publications/>.
- *Email:* comments@fdic.gov. Include the name and number of the collection in the subject line of the message.
- *Mail:* Robert Meiers, Regulatory Counsel, MB–3013, Federal Deposit Insurance Corporation, 550 17th Street NW, Washington, DC 20429.
- *Hand Delivery:* Comments may be hand-delivered to the guard station at the rear of the 17th Street NW building (located on F Street NW), on business days between 7 a.m. and 5 p.m.

FOR FURTHER INFORMATION CONTACT:

Robert Meiers, Regulatory Attorney, Romeiers@fdic.gov, MB–3013, Federal Deposit Insurance Corporation, 550 17th Street NW, Washington, DC 20429.

SUPPLEMENTARY INFORMATION:

Proposal to renew the following currently approved collection of information:

1. *Title:* Notification of Performance of Bank Services.

OMB Number: 3064–0029.

Form Number: 6120/06.

Affected Public: Insured state nonmember banks and state savings associations.

Burden Estimate:

SUMMARY OF ESTIMATED ANNUAL BURDEN (OMB No. 3064–0029)

Information Collection (IC) (obligation to respond)	Type of burden (frequency of response)	Number of respondents	Number of responses per respondent	Average time per response (HH:MM)	Annual burden (hours)
1. Notification of Performance of Bank Services, 12 CFR 304.3 (Mandatory).	Reporting (On Occasion)	308	2.03	00:30	313
Total Annual Burden (Hours)	313

Source: FDIC.

Note: The estimated annual IC time burden is the product, rounded to the nearest hour, of the estimated annual number of responses and the estimated time per response for a given IC. The estimated annual number of responses is the product, rounded to the nearest whole number, of the estimated annual number of respondents and the estimated annual number of responses per respondent. This methodology ensures the estimated annual burdens in the table are consistent with the values recorded in OMB’s consolidated information system.

General Description of Collection: Insured state nonmember banks are required to notify the FDIC, under section 7 of the Bank Service Company Act (12 U.S.C. 1867), of the relationship with a bank service company. The Form FDIC 6120/06, Notification of Performance of Bank Services, may be used by banks to satisfy the notification requirement. There is no change in the

method or substance of the collection. The estimated annual burden has decreased by 12 hours, from 325 hours in 2023 to 313 hours in this ICR. This decrease is attributable to a reduction in the estimated number of responses. The time and frequency of responses remain unchanged.

2. *Title:* Treatment by the FDIC as Conservator or Receiver of Financial

Assets Transferred by an Insured Depository Institution in Connection With a Securitization or Participation After September 30, 2010.

OMB Number: 3064–0177.

Affected Public: Insured Depository Institutions.

Burden Estimate:

5. Securitization documents, 12 CFR 360.6(c)(7) (Mandatory).	Recordkeeping (On Occasion).	22	11.273	01:00	248
Total Annual Burden (Hours)	7,008

Source: FDIC.

Note: The estimated annual IC time burden is the product, rounded to the nearest hour, of the estimated annual number of responses and the estimated time per response for a given IC. The estimated annual number of responses is the product, rounded to the nearest whole number, of the estimated annual number of respondents and the estimated annual number of responses per respondent. This methodology ensures the estimated annual burdens in the table are consistent with the values recorded in OMB's consolidated information system.

General Description of Collection: Part 360.6 of the FDIC's regulations sets forth certain conditions that must be satisfied for a securitization transaction sponsored by an insured depository institution to be eligible for special treatment in the event that the FDIC is appointed receiver or conservator. As part of these conditions, securitization documents must include certain disclosure and recordkeeping requirements. There is no change in the method or substance of the collection. The estimated annual burden remains unchanged from the 2023 estimate.

Request for Comment

Comments are invited on: (a) whether the collections of information are necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collections, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the

burden of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.
