FOR FURTHER INFORMATION CONTACT: Submit requests to *minorityhealthinfo@hhs.gov* or (240) 453–0492. When submitting comments or requesting information, please include the document identifier OS–0990–0407–30D and project title for reference.

SUPPLEMENTARY INFORMATION: Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Title of the Collection: OMH Think Cultural Health.

Type of Collection: Extension of a Currently Approved Collection.

OMB No.: 0990–0407.

Abstract: The Office of Minority Health (OMH), Department of Health and Human Services (HHS), is requesting approval by the Office of Management and Budget (OMB) on an extension of a currently approved collection of information. The Think Cultural Health (TCH) website is an initiative of HHS OMH that provides resources and tools to promote cultural and linguistic competency in health and health care. The TCH website offers a suite of e-learning programs that afford health and health care professionals the ability to earn continuing education credits through training in cultural and linguistic competency. A 60-Day **Federal Register** Notice was published in the **Federal Register** on February 20, 2026, vol. 91, No. 34; pp. 8259.

Need and Proposed Use of the Information: The data will be used to enable health and health care professionals to register for courses, obtain accredited continuing education

credits, and help ensure that TCH offerings remain relevant, useful, and responsive to the needs of their target audiences. The findings from the data collection will be of interest to HHS OMH in supporting maintenance and revisions of the offerings on the TCH website.

Likely Respondents: Likely respondents are users of the TCH e-learning program(s) and/or e-resource(s). There are no requirements for annual, quarterly or monthly responses. A single respondent completes the registration process to access an e-learning program or e-resource on the website only once and completes a course-specific evaluation form for each e-learning program course/unit or e-resource per completion. A respondent may be invited to participate in the follow-up survey, a focus group, or a key informant interview and will not be asked to participate in more than one follow-up activity (*i.e.*, survey, focus group, or key informant interview).

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

[Docket No. USCG-2026-0216]

Certificates of Alternative Compliance for the Coast Guard Heartland District

AGENCY: Coast Guard, DHS.

ACTION: Notification of issuance of a certificates of alternative compliance.

SUMMARY: The Coast Guard announces that the Coast Guard Heartland District's Prevention Division has issued certificates of alternative compliance from the International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to vessels of special construction or purpose that cannot fully comply with the light, shape, and sound signal provisions of 72 COLREGS without interfering with the vessel's design and construction. We are issuing this notice because its publication is required by statute. This notification of issuance of a certificate of alternative compliance promotes the Coast Guard's marine safety mission.

DATES: The Certificates of Alternative Compliance were issued between July 2025 and January 2026.

FOR FURTHER INFORMATION CONTACT: For information or questions about this notice call or email Lieutenant Natalie Cordes, Heartland District, Prevention Division, U.S. Coast Guard, telephone 571-608-4791, email Natalie.R.Cordes@uscg.mil.

SUPPLEMENTARY INFORMATION: The United States is signatory to the International Maritime Organization's International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), as amended. The special construction or purpose of some vessels makes them unable to comply with the light, shape, or sound signal provisions of the 72 COLREGS. Under statutory law, however, specified 72 COLREGS provisions are not applicable to a vessel of special construction or purpose if the Coast Guard determines that the vessel cannot comply fully with those requirements without interfering with the special function of the vessel.¹

The owner, builder, operator, or agent of a special construction or purpose vessel may apply to the Coast Guard District Office in which the vessel is being built or operated for a determination that compliance with alternative requirements is justified,² and the Chief of the Prevention Division
