Needs and Uses: This information collection is essential to the Pentagon Force Protection Agency and is used to make a determination of eligibility for federal employment in the field of law enforcement. Applicants are the first population—they are certified by USAJOBS for law enforcement positions in PFPA. (1) *Authorization for Release of Information—PFPA Form 1400 (applicant):* This form is sent from a PFPA employee to the applicant via email. The form gives PFPA permission to begin the background/evaluation process. This form must be printed and signed in ink then uploaded by the applicant to Salesforce.
