

with a Commerce determination and must suspend liquidation of entries pending a “conclusive” court decision. The CIT’s June 15, 2026, judgment constitutes a final decision of the CIT that is not in harmony with Commerce’s *Final Determination*. Thus, this notice is published in fulfillment of the publication requirements of *Timken*.

Amended Final Determination

Because there is now a final court judgment, Commerce is amending its *Final Determination* with respect to Marmen as follows:

Exporter or producer	<i>Final determination weighted-average dumping margin (percent)</i>	<i>Amended final determination weighted-average dumping margin (percent)</i>
Marmen Inc./Marmen Énergie Inc..	4.94	2.93
All Others	4.94	2.93

Amended AD Order

Pursuant to section 735(c)(2) of the Act, Commerce shall “issue an antidumping duty order under section 736” of the Act when the final determination is affirmative. As a result of this amended final determination, Commerce is hereby amending the *Order* to revise the weighted-average dumping margin assigned to Marmen and all other producers and/or exporters of subject merchandise, as noted above.

Cash Deposit Requirements

Because Marmen does not have a superseding cash deposit rate, *i.e.*, there have not been final results published in a subsequent administrative review, Commerce will issue revised cash deposit instructions to U.S. Customs and Border Protection.

Fresh Winter Strawberries From Mexico: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable June 25, 2026.

FOR FURTHER INFORMATION CONTACT: Anjali Mehindiratta, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–9127.

SUPPLEMENTARY INFORMATION:

Background

On February 9, 2026, the U.S. Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation of fresh winter strawberries (winter strawberries) from Mexico.¹ Currently, the preliminary determination is due no later than June 29, 2026.

Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On May 27, 2026, Strawberry Growers for Fair Trade (the petitioner) submitted

a timely request that Commerce postpone the preliminary determinations in the LTFV investigation of winter strawberries from Mexico.² The petitioner stated that it requests postponement due to concerns that Commerce will need more time to collect questionnaire responses, fully analyze them, and issue supplemental questionnaires as may be necessary.³

For the reasons stated above, and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act and 19 CFR 351.205(e), is postponing the deadline for the preliminary determination by 50 days (*i.e.*, 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination no later than August 18, 2026. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination in this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

Notification to Interested Parties

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: June 12, 2026.

from Poland and further processed and completed in the United States to produce mattresses.

Rescission of Circumvention Inquiry

As noted above, the requesters have withdrawn their request for a circumvention inquiry on mattress components exported from Poland and further processed and completed in the United States to produce mattresses.⁶ Therefore, in accordance with 19 CFR 351.226(f)(6)(i), Commerce finds that it is appropriate to rescind this circumvention inquiry in its entirety.

Suspension of Liquidation

Pursuant to 19 CFR 351.226(1)(1), Commerce notified U.S. Customs and Border Protection (CBP) of the initiation of this circumvention inquiry and directed CBP to continue the suspension of liquidation of entries of products subject to the circumvention inquiry that were already subject to the suspension of liquidation under the *Order* and to apply the cash deposit rate that would be applicable if the products were determined to be covered by the scope of the *Order*.⁷ Upon publication of this rescission notice, Commerce will inform CBP that Commerce has rescinded this inquiry and that CBP should continue to suspend entries of mattresses from Poland that are subject to the *Order* at the applicable rate(s) in effect on the date of entry until specific liquidation instructions are issued.

This notice serves as a final reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of the APO materials or conversion to judicial protective order is hereby requested. Failure to comply with regulations and terms of an APO is a violation, which is subject to sanction.

Notification to Interested Parties

This determination is issued and published in accordance with section 781 of the Tariff Act of 1930, as amended, and 19 CFR 351.226(f)(6).

Dated: June 15, 2026.
