SUPPLEMENTARY INFORMATION:

I. Abstract

This is a request for revision of an approved information collection for Fishery Products Subject to Trade Restrictions Pursuant to Certification Under the High Seas Driftnet Fishing Moratorium Protection Act (Moratorium Protection Act) and the Marine Mammal Protection Act (MMPA). The National Marine Fisheries Service (NMFS) Office of International Affairs, Trade, and Commerce requests to revise the information collection involving Certification of Admissibility for the importation of certain fish and fish products that are subject to requirements of the Moratorium Protection Act or the MMPA. NMFS also proposes to change the title of the existing information collection from "Fishery Products Subject to Trade Restrictions Pursuant to Certification Under the High Seas Driftnet Fishing (HSDF) Moratorium Protection Act" to "Fish and Fish Products Subject to Certification of Admissibility Requirements" to more clearly and succinctly describe for which purposes the information is being collected.

The purpose of this information collection is to enable the continued flow of trade while adhering to existing statutory requirements pursuant to the Moratorium Protection Act and the MMPA as under both statutes, certain fish or fish products of a nation may be subject to import prohibitions. In order to allow for entry of similar fish and fish
