OFFICE OF PERSONNEL MANAGEMENT

[Docket ID: OPM-2026-0529]

Privacy Act of 1974; System of Records

AGENCY: U.S. Office of Personnel Management.

ACTION: Notice of a modified system of records.

SUMMARY: In accordance with the Privacy Act of 1974, the Office of Personnel Management (OPM) proposes to modify and republish a new system of records previously titled "OPM/Central-9, Personnel Investigations Records" which will be renamed to "OPM/Central-9, OPM Suitability Adjudications Files." The modification is necessary since the current system of records previously covered both background investigation records and suitability adjudication records. OPM has transferred the background investigation mission and associated records to the Defense Counterintelligence and Security Agency (DCSA) at the U.S. Department of Defense. DCSA published a new system of records notice for the personnel investigations records titled "Personnel Vetting Records System, DUSDI 02-DoD" (83 FR 52420 and 83 FR 52317). As a result, the personnel investigations records are no longer maintained in OPM/Central-9. Accordingly, OPM has modified the system to maintain only suitability adjudication, action, and appeals records. The system contains records used by OPM to make, document, and review suitability determinations and related actions for individuals seeking or holding covered Federal positions. These records support OPM's statutory and regulatory responsibilities to determine whether an individual is suitable for Federal employment and to adjudicate and process related appeals.

DATES: Submit comments on or before July 27, 2026. These changes are effective July 27, 2026.

ADDRESSES: You may submit written comments using the Federal eRulemaking Portal at <https://www.regulations.gov>. All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <https://www.regulations.gov> without change, which will include any personal

identifiers submitted with the comments.

FOR FURTHER INFORMATION CONTACT: For general questions, please contact Joe Knouff, Suitability Director, by email at SuitEA@opm.gov or by mail at Suitability Director, Suitability Executive Agent Program, Office of Personnel Management, 1900 E Street NW, Washington, DC 20415-0001.

SUPPLEMENTARY INFORMATION: In accordance with the Privacy Act of 1974, the OPM proposes to modify a system of records previously titled "OPM/Central-9, Personnel Investigations Records" which will be renamed to "OPM/Central-9, OPM Suitability Adjudications Files."

Historically, the President has delegated to OPM and its predecessor, the Civil Service Commission, the authority to prescribe both qualifications standards and suitability standards, and to conduct both examinations of applicants' qualifications and investigations of suitability for appointment and continuing employment. *See* 5 U.S.C. 1104(a)(1). This delegation is limited ≤ to positions in the competitive service, appointments to positions in the excepted service that non-competitively convert to the competitive service, and career appointments to positions in the Senior Executive Service. *See* Civil Service Rules II, V, and VI, as codified in 5 CFR parts 2, 5, and 6.

5 CFR part 731 is OPM's regulation implementing these delegations. It establishes investigation, continuous vetting, and reciprocity requirements for an appointment to a position in the competitive service, excepted service, and for career appointment in the Senior Executive Service. Contractor employee fitness and nonappropriated fund employee fitness, as addressed in sections 3(b) and 3(c) of Executive Order 13488, are also subject to position designation requirements, investigative standards, and reciprocity requirements outlined in the regulations. The regulations also establish the criteria for making determinations of suitability for the competitive service or career Senior Executive Service and the minimum standard of fitness for the excepted service. Additionally, the regulations establish procedures for taking suitability actions for positions in the competitive service or career Senior Executive Service.

OPM has largely delegated suitability responsibilities to agency heads while retaining jurisdiction in cases with evidence of material, intentional falsification or deception or fraud in examination or appointment, or other
