

Our estimated reporting and recordkeeping burden for the information collection reflects an overall increase of 60 hours and a corresponding increase of 120 responses and records. We attribute this adjustment to an increase in the number of submissions we received over the last few years.

Grace R. Graham,

Deputy Commissioner for Policy, Legislation, and International Affairs.

BILLING CODE 4164-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Agency Information Collection Activities: Submission to OMB for Review and Approval; Public Comment Request; Rural Health Care Coordination Program Performance Improvement Measures, OMB No. 0906-0024—Revision

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, HRSA submitted an Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review and approval. Comments submitted during the first public review of this ICR will be provided to OMB. OMB will accept further comments from the public during the review and approval period. OMB may act on HRSA's ICR only after the 30-day comment period for this notice has closed.

DATES: Comments on this ICR should be received no later than July 29, 2026.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: To request a copy of the clearance requests submitted to OMB for review, email Samantha Miller, the HRSA Information

Collection Clearance Officer, at paperwork@hrsa.gov or call (301) 443-3983.

SUPPLEMENTARY INFORMATION:

Information Collection Request Title: Rural Health Care Coordination Program Performance Improvement Measures, OMB No. 0906-0024—Revision.

Abstract: The Rural Health Care Coordination (Care Coordination) Program is authorized under 42 U.S.C. 254c(e) (section 330A(e) of the Public Health Service Act) to promote rural health care services outreach by improving and expanding the delivery of health care services through comprehensive care coordination strategies addressing a primary focus area: (1) heart disease, (2) cancer, (3) chronic lower respiratory disease, (4) stroke, or (5) maternal health. HRSA currently collects information about Care Coordination Program grants using an OMB-approved set of performance measures and seeks to revise that approved collection. The proposed changes are a result of keeping this instrument relevant, responsive to the Care Coordination Program needs and to improve clarity and ease of reporting for respondents.

A 60-day notice published in the **Federal Register** on March 24, 2026, vol. 91, No. 56; pp. 14029–30. There were two public comments recommending the following:

- Additional measures for tracking mental/behavioral and substance use disorder health providers and services,
- Collecting more granular demographic data,
- Establishing more concrete metrics related to workforce and leadership characteristics,
- Advocating for requiring that measures related to how well awardees meet community needs require standardized upstream drivers of health screening tools (e.g., tracking closed-loop referrals), and
- A general recommendation to HRSA to allow grant funds to be used for electronic health record interoperability upgrades.

HRSA will take these suggestions into consideration on future iterations of measure development.

Need and Proposed Use of the Information: The purpose of the revised data collection is to assess Care Coordination Program awardees' progress in meeting the program goals and how well each awardee meets their community needs. Additionally, HRSA will be able to monitor and assess the

impact of the Care Coordination Program and ensure that funds are effectively used to provide services that meet the needs of the awardees' target population(s) needs.

HRSA revised the performance measures that Care Coordination awardees will submit to HRSA on an annual basis. The proposed changes include adding one additional measure in the Leadership and Workforce Composition section, modifying the text of an existing measure to enhance clarity, and correcting the units of measurement on two existing measures.

There is a proposed increase in the total estimated burden hours compared to the currently approved information collection. The increase in burden is to account for changes to the instruments and the time it takes for awardees to refine their existing processes to coordinate and collect data from their partner organizations. These organizations vary in data collection and reporting capacity as well as in the number of member organizations each must coordinate with to report this data to HRSA. The amount of time it takes to build processes to coordinate and collect data from network partners will vary. Larger networks with multiple partners across different organizations are likely to report higher burdens due to the wait time in between coordinating data requests. Networks that already have established working relationships with member organizations may have existing processes in place to effectively collect data for this program.

Likely Respondents: Respondents will be the Care Coordination Program award recipients.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose, or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN HOURS

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Rural Health Care Coordination Performance Measures	10	1	10	58.18	581.80
Total	10	1	10	58.18	581.80

National Institutes of Health

National Institute of Environmental Health Sciences; Notice of Meeting

Pursuant to section 1009 of the Federal Advisory Committee Act, as amended, notice is hereby given of a meeting of the Board of Scientific Counselors, National Institute Environmental Health Sciences.

The meeting will be partially open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend as well as those who need special assistance, such as sign language interpretation or other reasonable accommodation, must notify the Contact Person listed below

in advance of the meeting. The open session will be videocast and can be accessed from the NIH Videocasting and Podcasting website (<http://videocast.nih.gov/>).

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Board of Scientific Counselors, National Institute Environmental Health Sciences (ESBSC).

Date: August 2–4, 2026.

Closed: August 2, 2026, 7:00 p.m. to 9:00 p.m.

Agenda: BSC Discussions.

Address: NIEHS/National Institutes of Health, Building 4401, East Campus, 79 T.W. Alexander Drive, Research Triangle Park, NC 27709.

Meeting Format: Virtual.

Open: August 3, 2026, 8:00 a.m. to 11:45 a.m.

Agenda: Scientific Presentations.

Address: NIEHS/National Institutes of Health, Building 4401, East Campus, 79 T.W. Alexander Drive, Research Triangle Park, NC 27709.

Meeting Format: Virtual and In-Person.

Closed: August 3, 2026, 11:45 a.m. to 1:30 p.m.

Agenda: To review and evaluate session with Investigators and Working Lunch.

Address: NIEHS/National Institutes of Health, Building 4401, East Campus, 79 T.W. Alexander Drive, Research Triangle Park, NC 27709.

Meeting Format: Virtual and In-Person.

Open: August 3, 2026, 1:30 p.m. to 4:00 p.m.

Agenda: Scientific Presentations.

Address: NIEHS/National Institutes of Health, Building 4401, East Campus, 79 T.W. Alexander Drive, Research Triangle Park, NC 27709.

Meeting Format: Virtual and In-Person.

Closed: August 3, 2026, 4:00 p.m. to 5:45 p.m.

Agenda: To review and evaluate session with Investigators.

Address: NIEHS/National Institutes of Health, Building 4401, East Campus, 79 T.W.

Alexander Drive, Research Triangle Park, NC 27709.

Meeting Format: Virtual and In-Person.

Open: August 04, 2026, 8:00 a.m. to 09:15 a.m.

Agenda: Scientific Presentations.

Address: NIEHS/National Institutes of Health, Building 4401, East Campus, 79 T.W. Alexander Drive, Research Triangle Park, NC 27709.

Meeting Format: Virtual and In-Person.

Closed: August 04, 2026, 9:15 a.m. to 09:45 a.m.

Agenda: To review and evaluate session with Investigators.

Address: NIEHS/National Institutes of Health, Building 4401, East Campus, 79 T.W. Alexander Drive, Research Triangle Park, NC 27709.

Meeting Format: Virtual and In-Person.

Open: August 04, 2026, 9:45 a.m. to 11:00 a.m.

Agenda: Poster Session.

Address: NIEHS/National Institutes of Health, Building 4401, East Campus, 79 T.W. Alexander Drive, Research Triangle Park, NC 27709.

Meeting Format: Virtual and In-Person.

Closed: August 04, 2026, 11:00 a.m. to 04:30 p.m.

Agenda: To review and evaluate session with Investigators and Working Lunch.

Address: NIEHS/National Institutes of Health, Building 4401, East Campus, 79 T.W. Alexander Drive, Research Triangle Park, NC 27709.

Meeting Format: Virtual and In-Person.

Contact Person: Darryl C. Zeldin, M.D., Scientific Director, National Institute of Environmental Health Sciences, NIH, DHHS, 111 T.W. Alexander Drive, Bldg. 101, Room A214, Research Triangle Park, NC 27709, (984) 287–3641, zeldin@niehs.nih.gov.
