Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Survey of Postgraduate Employment for the Foreign Language and Area Studies (FLAS) Fellowship Program.

OMB Control Number: 1840-0829.

Type of Review: Revision of a currently approved ICR.

Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 10,000.

Total Estimated Number of Annual Burden Hours: 1,300.

Abstract: The Foreign Language and Area Studies (FLAS) Fellowships program is authorized by 20 U.S.C. 1121(b) and provides allocations of academic year and summer fellowships to institutions of higher education or consortia of institutions of higher education to assist meritorious

undergraduate and graduate students undergoing training in modern foreign languages and related area or international studies. This information collection is a survey of FLAS fellows required by 20 U.S.C. 1121(d) which states "The Secretary shall assist grantees in developing a survey to administer to students who have completed programs under this subchapter to determine postgraduate employment, education, or training. All grantees, where applicable, shall administer such survey once every two years and report survey results to the Secretary."

Revisions have been made to the estimated total number of responses and total burden hours to reflect the expected current number of responses and corresponding burden hours for each of the two survey components. Minor edits were made to the collections to remove outdated links and update contact information.

[Docket No.: ED-2026-SCC-1354]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Foreign Gifts and Contracts Disclosures

AGENCY: Federal Student Aid (FSA), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA) of 1995, the Department is proposing a revision of a currently approved information collection request (ICR).

DATES: Interested persons are invited to submit comments on or before June 29, 2026.

ADDRESSES: Written comments and recommendations for proposed information collection requests should be submitted within 30 days of publication of this notice. Click on this link www.reginfo.gov/public/do/PRAMain to access the site. Find this information collection request (ICR) by selecting "Department of Education" under "Currently Under Review," then check the "Only Show ICR for Public Comment" checkbox. *Reginfo.gov* provides two links to view documents related to this information collection

request. Information collection forms and instructions may be found by clicking on the "View Information Collection (IC) List" link. Supporting statements and other supporting documentation may be found by clicking on the "View Supporting Statement and Other Documents" link.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Carolyn Rose, (202) 453-5967.

SUPPLEMENTARY INFORMATION: The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Title of Collection: Foreign Gifts and Contracts Disclosures.

OMB Control Number: 1845-0172.

Type of Review: Revision of a currently approved ICR.

Respondents/Affected Public: Private Sector; State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 10,413.

Total Estimated Number of Annual Burden Hours: 5,207.

Abstract: FSA, in partnership with the Office of the General Counsel (OGC) of ED, is requesting the renewal of Foreign Gifts and Contracts Disclosures, 1845-0172, to continue to collect the required information from institutions of higher education regarding foreign gifts and contracts as specified in the Higher Education Act of 1965 (HEA), as amended. Section 117 of the HEA, codified at 20 U.S.C. 1011f, provides that institutions of higher education must file a disclosure report with the Secretary of Education by January 31 or July 31, whichever is sooner, under certain circumstances.

In June of 2020, ED established a collection of information, Foreign Gifts and Contracts Disclosures, 1801-0006, through ED's Partner Enterprise Business Collaboration (PEBC) system. That collection was under an OMB control number for OGC. The PEBC collection provided for collection of the data elements that ED believes are necessary to ensure institutions provide

congressionally mandated transparency with respect to covered gifts from and contracts with foreign sources. In June of 2023, a new collection of information, Foreign Gifts and Contracts Disclosures, 1845–0172, was approved with the same PEBC collection portal, with a few minimal changes, but returning the collection of information to FSA. OGC and FSA have worked closely over the course of these previous two information requests. FSA is seeking renewal for substantially the same information collection, utilizing a new, more user-friendly portal located at <https://www.foreignfundinghighered.gov>.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP26–158–000]

WBI Energy Transmission, Inc.; Notice of Schedule for the Preparation of an Environmental Assessment for the Line Section 32 Expansion Project

On March 31, 2026, WBI Energy Transmission, Inc (WBI) filed an application in Docket No. CP26–158–000 requesting a Certificate of Public Convenience and Necessity pursuant to Section 7(c) of the Natural Gas Act (NGA) to construct and operate certain natural gas pipeline facilities. The proposed project is known as the Line Section 32 Enhancement Project (Project). The Project would provide up to 190,000 dekatherms per day of incremental firm transportation service to Basin Electric's new Bison Generation Station in Williams County, North Dakota.

On April 9, 2026, the Federal Energy Regulatory Commission (Commission or FERC) issued its Notice of Application for the Project. Among other things, that notice alerted agencies issuing federal authorizations of the requirement to complete all necessary reviews and to reach a final decision on a request for a federal authorization within 90 days of the date of issuance of the Commission staff's environmental document for the Project.

This notice identifies Commission staff's intention to prepare an environmental assessment (EA) for the Project and the planned schedule for the

completion of the environmental review.¹

Schedule for Environmental Review

Issuance of EA—November 23, 2026
90-day Federal Authorization Decision
Deadline²—February 21, 2027

If a schedule change becomes necessary, additional notice will be provided so that the relevant agencies are kept informed of the Project's progress.

Project Description

WBI proposes to construct and operate a 17-mile-long, 24-inch-diameter, interstate, natural gas transmission pipeline, and associated facilities in Williams County, North Dakota; and upgrade a pipeline interconnection in McKenzie County, North Dakota.

Background

On May 11, 2026, the Commission issued a *Notice of Scoping Period Requesting Comments on Environmental Issues and Notice of On-site Environmental Review for the Line Section 32 Enhancement Project* (Notice of Scoping). The Notice of Scoping was sent to affected landowners; federal, state, and local government agencies; elected officials; environmental and public interest groups; Native American tribes; other interested parties; and local libraries and newspapers. No comments were received in response to the Notice of Scoping.

Additional Information

In order to receive notification of the issuance of the EA and to keep track of formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription. This service provides automatic notification of filings made to subscribed dockets, document summaries, and direct links to the documents. Go to <https://www.ferc.gov/ferc-online/overview> to register for eSubscription.

For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public

¹ For tracking purposes under the National Environmental Policy Act, the unique identification number for documents relating to this environmental review is EAXX–019–20–000–1778150426.

² The Commission's deadline applies to the decisions of other federal agencies, and state agencies acting under federally delegated authority, that are responsible for federal authorizations, permits, and other approvals necessary for proposed projects under the Natural Gas Act. Per 18 CFR 157.22(a), the Commission's deadline for other agency's decisions applies unless a schedule is otherwise established by federal law.

Participation at (202) 502–6595 or OPP@ferc.gov.

Additional information about the Project is available from the Commission's Office of External Affairs at (866) 208–FERC or on the FERC website (www.ferc.gov). Using the “eLibrary” link, select “General Search” from the eLibrary menu, enter the selected date range and “Docket Number” excluding the last three digits (*i.e.*, CP26–158), and follow the instructions. For assistance with access to eLibrary, the helpline can be reached at (866) 208–3676, TTY (202) 502–8659, or at FERCOnlineSupport@ferc.gov. The eLibrary link on the FERC website also provides access to the texts of formal documents issued by the Commission, such as orders, notices, and rule makings.

Northern Natural Gas Company; Notice of Schedule for the Preparation of an Environmental Assessment for the Central Mainline Corridor Expansion Project

On April 17, 2026, Northern Natural Gas Company (Northern) filed an application in Docket No. CP26–241–000 requesting a Certificate of Public Convenience and Necessity pursuant to Section 7(c) of the Natural Gas Act to construct and operate certain natural gas pipeline facilities in Iowa and Nebraska. The proposed project is known as the Central Mainline Corridor Expansion Project (Project) and would provide 535,360 dekatherms per day of additional winter peak day firm transportation service for power generation, and residential and commercial customers in Northern's Market Area.

On April 30, 2026, the Federal Energy Regulatory Commission (Commission or FERC) issued its Notice of Application for the Project. Among other things, that notice alerted agencies issuing federal authorizations of the requirement to complete all necessary reviews and to reach a final decision on a request for a federal authorization within 90 days of the date of issuance of the Commission
