V. Accelerated Approval of Amended Proposal, as Modified by Partial Amendment No. 2

The Commission finds good cause to approve the Amended Proposal prior to the 30th day after the date of publication of Amendment No. 2 in the **Federal Register**. Amendment No. 2 sets forth additional representations and support for the Amended Proposal without proposing any substantive changes from Amendment No. 1 to the proposal, which superseded the initial proposal in its entirety.³³ Thus, the Commission finds that Amendment No. 2 raises no novel regulatory issues that have not previously been subject to comment, and is reasonably designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to protect investors and the public interest, and not designed to permit unfair discrimination or impose an unnecessary or inappropriate burden on competition. Accordingly, pursuant to Section 19(b)(2) of the Act,³⁴ the Commission finds good cause to approve the Amended Proposal on an accelerated basis prior to the 30th day after publication of notice of the filing of Amendment No. 2 in the **Federal Register**.

VI. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³⁵ that the proposed rule change (SR-CBOE-2026-016), as superseded by Amendment No. 1 and modified by partial Amendment No. 2, be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³⁶

Sherry R. Haywood,

Assistant Secretary.
