III. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products that are currently in the United States, and that were packaged, labeled, and released for shipment prior to the effective date of the cancellation, which will be the date of publication of the cancellation order in the **Federal Register**. In any order issued in response to these requests, EPA anticipates including the following provisions for the treatment of any existing stocks of the products listed in Unit II:

For voluntary cancellations of the registrations listed in Table 1 of Unit II, registrants will be permitted to sell and distribute existing stocks of voluntarily canceled products for 1 year after the effective date of the cancellation order. Thereafter, registrants will be prohibited from selling or distributing the products identified in Table 1 of Unit II, except for export consistent with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

For those products identified in Table 1A of Unit II, the registrants have requested 18 months after the date of publication of the cancellation order in the **Federal Register** to sell existing stocks. Thereafter, the registrants will be prohibited from selling or distributing the products identified in Table 1A of Unit II, except for export consistent with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

Once EPA has approved labels for the products listed in Table 2 of Unit II, (amended to reflect the requested amendments to terminate uses), registrants will be permitted to sell or distribute products under the previously approved labeling for a period of 18 months after the date of publication of the cancellation order in the **Federal Register**, unless other restrictions have been imposed. Thereafter, registrants will be prohibited from selling or

distributing the products whose labels include the terminated uses identified in Table 2 of Unit II, except for export consistent with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

Persons other than the registrant will generally be allowed to sell, distribute, or use existing stocks of the canceled products and/or products whose labels include the terminated uses until supplies are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products and/or terminated uses.
