Joint Industry Plan; Order Approving the Second Amendment to the National Market System Plan Regarding Consolidated Equity Market Data, as Amended by Amendment No. 1 and Modified by the Commission, To Adopt a Fee Schedule

June 26, 2026

I. Introduction

On December 11, 2025, the Operating Committee[1] of the Limited Liability Company Agreement of the CT Plan LLC (''CT Plan'') filed with the Securities and Exchange Commission (''Commission''), pursuant to section 11A of the Securities Exchange Act of 1934 (''Exchange Act'')[2] and Rule 608 of Regulation National Market System (''Regulation NMS'') thereunder,[3] a proposal to amend the CT Plan to adopt a fee schedule (''Fee Proposal'').[4] The Fee Proposal, which represents the Second Amendment to the CT Plan, was published for comment in the **Federal Register** on December 31, 2025.[5] The Commission received comment on the Fee Proposal.[6] On March 30, 2026, the Operating Committee filed an amendment to the Fee Proposal, which amended and superseded the Fee Proposal in its entirety, and responded to comments (''Amendment No. 1''). On March 31, 2026, the Commission published notice of filing of Amendment No. 1 and instituted proceedings, under Rule 608(b)(2)(i) of Regulation NMS,[7] to determine whether to approve or disapprove the Fee Proposal, as amended by Amendment No. 1 (''Amended Fee Proposal''), or to approve the Amended Fee Proposal, with any changes or subject to any conditions the Commission deems necessary or appropriate.[8] The Commission received comment in response to the OIP Notice and a response from the Operating Committee.[9]

This order approves the Amended Fee Proposal, as modified by the Commission, which is described in detail below. The Commission concludes that the Amended Fee Proposal, as modified, is necessary or appropriate in the public interest, for the protection of investors and the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanism of a national market system, or is otherwise in furtherance of the purposes of the Exchange Act consistent with Rule 608(b)(2) of Regulation NMS.[10] Further, the Commission finds that the Amended Fee Proposal, as modified, is fair and reasonable and not unreasonably discriminatory consistent with sections 11A(c)(1)(C)–(D) of the Exchange Act and Rule 603(a) under Regulation NMS.[11] A copy of Exhibit F, which reflects the modifications made by the Commission, is Attachment A to this order.

II. Background

On November 20, 2024, the Commission approved the CT Plan as a new national market system plan (''NMS Plan'') governing the public dissemination of real-time consolidated information with respect to quotations for and transactions in NMS stocks (''SIP data'').[12] The CT Plan, among
