The merchandise covered by this *Order* is rebar from Türkiye. For a complete description of the scope of this *Order*, see the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in the case briefs and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of the issues addressed is attached as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying all of Commerce's conclusions, see the Issues and Decision Memorandum.

Changes Since the Preliminary Results

Based on comments received from interested parties, we made certain changes to the subsidy rate calculations for Colakoglu Metalurji A.S. (Colakoglu) from the *Preliminary Results*. For a discussion of these changes, see the Issues and Decision Memorandum.

Final Results of Review

We determine that, for the period January 1, 2023, through December 31, 2023, the following total net countervailable subsidy rate exists:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
Colakoglu Metalurji A.S.	1.26

hereby adopted by, this notice (Issues and Decision Memorandum).

⁵ See *Steel Concrete Reinforcing Bar from the Republic of Turkey: Countervailing Duty Order*, 79 FR 65926 (November 6, 2014) (*Order*).

⁶ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

Disclosure

Commerce intends to disclose its calculations performed in connection with the final results of review to interested parties within five days of public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Rates

In accordance with section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown above for Colakoglu for shipments of the subject merchandise entered, or withdrawn from warehouse for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms subject to the *Order*, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposits, effective upon the publication of the final results of this review, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: June 25, 2026.

Scot Fullerton,
