Abstract: Subtitle I, Chapter 1007, Subchapter I of Title 54 of the United States Code (54 U.S.C. 100701 *et seq.*) and the Public Health Service Act (42 U.S.C. Chapter 6A) authorize the NPS Office of Public Health (OPH) to collect public health information using Forms 10–685 (Concession Employee Illness Report) and 10–686 (Tour Vehicle Passenger Illness Report). These forms gather basic details about symptoms, how long the person has been ill, and where the illness occurred. This helps public health staff respond quickly and appropriately to health and safety incidents in national parks.

The Disease Reporting and Surveillance System (DRSS) also provides information on symptoms, duration, and location of illness. This helps public health workers act promptly and effectively. The system gives parks, OPH staff, concession managers, and clinic operators an early warning of possible outbreaks so they can take timely public health action.

OMB Control Number: 1024–0286.
Form Number: NPS Forms 10–685 and 10–686.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Individuals/households and private sector.

Total Estimated Number of Annual Respondents: 390.

Total Estimated Number of Annual Burden Hours: 73.

Respondent's Obligation: Voluntary.

Frequency of Collection: On occasion.

Total Estimated Annual Non Hour Burden Cost: None.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).
