Ch. 10 authorized creation of the AMWG to provide recommendations to the Secretary in carrying out the responsibilities of the Act to protect, mitigate adverse impacts to, and improve the values for which Grand Canyon National Park and Glen Canyon National Recreation Area were established, including but not limited to, natural and cultural resources and visitor use.

The duties or roles and functions of the AMWG are in an advisory capacity only. annually review long-term monitoring data to provide advice on the status of resources and whether the Adaptive Management Program (AMP) goals and objectives are being met, and (6) review and provide input on all AMP activities undertaken to comply with applicable laws, including permitting requirements.

Membership Criteria

Prospective members of AMWG need to have a strong capacity for advising individuals in leadership positions, teamwork, project management, tracking relevant Federal government programs and policy making procedures, and networking with and representing their stakeholder group. Membership from a wide range of disciplines and professional sectors is encouraged.

Members of the AMWG are appointed by the Secretary and are comprised of:

After consultation, the Secretary will appoint members to the AMWG. AMWG member terms are limited to 3 years from their date of appointment. Following completion of their first term, an AMWG member may

request consideration for reappointment to an additional term. Reappointment is not guaranteed.

Typically, AMWG will hold two in-person meetings and one webinar meeting per fiscal year. Between meetings, AMWG members are expected to participate in committee work via conference calls and email exchanges. Members of the AMWG and its subcommittees serve without pay. However, while away from their homes or regular places of business in the performance of services of the AMWG, members may be reimbursed for travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the government service, as authorized by 5 U.S.C. 5703.

Nominations should include a resume that provides an adequate description of the nominee's qualifications, particularly information that will enable Interior to evaluate the nominee's potential to meet the membership requirements of the AMWG and permit Interior to contact a potential member. Please refer to the membership criteria stated in this notice.

Any interested person or entity may nominate one or more qualified individuals for membership on the AMWG. Nominations from the seven basin states, as identified in this notice, need to be submitted by the respective Governors of those states, or by a state representative formally designated by the Governor. ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it has instituted a review pursuant to the Tariff Act of 1930, as amended, to determine whether revocation of the antidumping duty order on seamless refined copper pipe and tube from Vietnam would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

DATES: Instituted July 1, 2026. To be assured of consideration, the deadline for responses is July 31, 2026. Comments on the adequacy of responses may be filed with the Commission by September 8, 2026.

FOR FURTHER INFORMATION CONTACT: Jordan Harriman (202–205–2610), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On August 13, 2021, the Department of Commerce ("Commerce") issued an antidumping duty order on imports of seamless refined copper pipe and tube from Vietnam (86 FR 44691). The Commission is conducting a review pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct a full or expedited review. The Commission's determination in any expedited review will be based on the facts available,

which may include information provided in response to this notice.

Definitions.—The following definitions apply to this review:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year review, as defined by Commerce.

(2) The *Subject Country* in this review is Vietnam.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determination, the Commission defined a single *Domestic Like Product* consisting of all seamless refined copper pipe and tube, coextensive with the scope of the investigation.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determination, the Commission defined the *Domestic Industry* as consisting of all domestic producers of seamless refined copper pipe and tube.

(5) The *Order Date* is the date that the antidumping duty order under review became effective. In this review, the *Order Date* is August 13, 2021.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the proceeding and public service list.—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's

designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Charles Smith, Office of the General Counsel, at 202–205–3408.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will

sign appropriate nondisclosure agreements.

The deadline for filing such responses is on or before 5:15 p.m. on July 31, 2026. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings. Also, in accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Public reporting burden for the request is estimated to average 15 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436.

Inability to provide requested information.—Pursuant to § 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in

the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information.
