

or not in compliance with the requirements described in this test. A PSC which has been rejected in ACE back to the filer may be re-transmitted within two (2) business days of the rejection. If there is no timely re-transmission, CBP will correct the entry summary and set the entry summary for immediate liquidation, unless the liquidation of such previously accepted entry summary has been suspended pursuant to statute or court order.

VIII. Deemed Liquidation

Pursuant to 19 U.S.C. 1504(a), consumption entries that are “deemed liquidated” must be liquidated at the rate of duty, value, quantity and amount of duties asserted by the importer of record. For purposes of this test, when a PSC has been properly filed, CBP interprets the statutory phrase “deemed liquidated” to mean liquidation at the rate of duty, value, quantity and amount of duties asserted by the importer of record at the time of CBP’s acceptance of the most recently accepted PSC.

IX. Misconduct Under the Test

A test participant may be subject to civil and criminal penalties, administrative sanctions, liquidated damages, and/or suspension from this test for any of the following:

- Failure to follow the terms and conditions of this test.
- Failure to exercise reasonable care in the execution of participant obligations.
- Failure to abide by applicable laws and regulations.
- Failure to timely deposit estimated duties, taxes, and fees, including any applicable AD/CVD cash deposits.
- Misuse of the ACE Portal.
- Engagement in any unauthorized disclosure.
- Engagement in any unauthorized access to the ACE Portal.

Suspensions for misconduct will be administered by the Executive Director, Trade Programs, Office of Trade. A written notice proposing suspension will be issued to the participant that apprises the participant of the facts or conduct warranting a suspension, informs the participant of the date the suspension will begin, and provides an opportunity to demonstrate or achieve compliance with all lawful requirements. Any decision proposing a suspension of a participant may be appealed in writing to the Executive Assistant Commissioner, Office of Trade, within 15 calendar days of the notification date. An appeal of a proposed suspension must address the facts or conduct charges contained in the notice and state how compliance

will be achieved. In cases of willful misconduct or where public health interests or safety are concerned, a suspension may be effective immediately.

X. Confidentiality

Data submitted and entered into ACE may include confidential commercial or financial information which may be protected under the Trade Secrets Act (18 U.S.C. 1905), and the Privacy Act (5 U.S.C. 552a). However, participation in this or any of the previous ACE tests is not confidential and, therefore, upon receipt of a written Freedom of Information Act request, the name(s) of an approved participant(s) will be disclosed by CBP in accordance with 5 U.S.C. 552.

XI. Paperwork Reduction Act

The Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3507(d)) requires that CBP consider the impact of paperwork and other information collection burdens imposed on the public. An agency may not conduct or sponsor, and an individual is not required to respond to, a collection of information unless the collection of information displays a valid Office of Management and Budget (OMB) control number assigned by OMB. This PSC test modification does not involve any material change to an existing approved information collection. The PRA does not apply to banking account information required as part of the ACH Debit enrollment for the PSC test.

XII. Suspension of Regulations

For purposes of this test, any provision in title 19 of the CFR including, but not limited to, the provisions found in parts 141, 142, 143 and 151 thereof relating to entry summary filing and processing that are inconsistent with the requirements set forth in this notice are waived for test participants for the duration of the test. See 19 CFR 101.9(b). This document does not waive any recordkeeping requirements found in 19 CFR part 163 and the Appendix to part 163 (commonly known as the “(a)(1)(A) list”).

Susan S. Thomas,
Executive Assistant Commissioner, Office of Trade.

BILLING CODE 9111–14–P

DEPARTMENT OF HOMELAND SECURITY

U.S. Customs and Border Protection

Accreditation and Approval of NMK Resources, Inc. (Thorofare, NJ), as a Commercial Gauger and Laboratory

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: Notice of accreditation and approval of NMK Resources, Inc. (Thorofare, NJ), as a commercial gauger and laboratory.

SUMMARY: Notice is hereby given, pursuant to CBP regulations, that NMK Resources, Inc. (Thorofare, NJ), has been approved to gauge petroleum and certain petroleum products and accredited to test petroleum and certain petroleum products for customs purposes for the next three years as of August 12, 2025.

DATES: NMK Resources, Inc. (Thorofare, NJ), was approved and accredited as a commercial gauger and laboratory as of August 12, 2025. The next triennial inspection date will be scheduled for August 2028.

FOR FURTHER INFORMATION CONTACT: Dr. Laura Granell-Ortiz, Laboratories and Scientific Services, U.S. Customs and Border Protection, 1331 Pennsylvania Avenue NW, Suite 1501A North, Washington, DC 20004, tel. 202–344–1060.

SUPPLEMENTARY INFORMATION: Notice is hereby given pursuant to 19 CFR 151.12 and 19 CFR 151.13, that NMK Resources, Inc., 650 Grove Rd., Suite 111,

West Deptford, NJ 08066, has been approved to gauge petroleum and certain petroleum products and accredited to test petroleum and certain petroleum products for customs purposes, in accordance with the provisions of 19 CFR 151.12 and 19 CFR 151.13.

NMK Resources, Inc. (Thorofare, NJ), is approved for the following gauging procedures for petroleum and certain petroleum products from the American Petroleum Institute (API):

API Chapters	Title
3	Tank Gauging.
7	Temperature Determination.
8	Sampling.
11	Physical Properties Data.
12	Calculations.
17	Marine Measurement.

NMK Resources, Inc. (Thorofare, NJ), is accredited for the following laboratory analysis procedures and

methods for petroleum and certain petroleum products set forth by the U.S.

Customs and Border Protection Laboratory Methods (CBPL) and

American Society for Testing and Materials (ASTM):

CBPL No.	ASTM	Title
27-04	D95	Standard Test Method for Water in Petroleum Products and Bituminous Materials by Distillation.
27-11	D445	Standard Test Method for Kinematic Viscosity of Transparent and Opaque Liquids (and Calculation of Dynamic Viscosity).
27-13	D4294	Standard Test Method for Sulfur in Petroleum and Petroleum Products by Energy-Dispersive X-ray Fluorescence Spectrometry.
27-46	D5002	Standard Test Method for Density, Relative Density, and API Gravity of Crude Oils by Digital Density Analyzer.
27-48	D4052	Standard Test Method for Density, Relative Density, and API Gravity of Liquids by Digital Density Meter.
27-50	D93	Standard Test Methods for Flash Point by Pensky-Martens Closed Cup Tester.
N/A	D97	Standard Test Method for Pour Point of Petroleum Products.
N/A	D482	Standard Test Method for Ash from Petroleum Products.
N/A	D664	Standard Test Method for Acid Number of Petroleum Products by Potentiometric Titration.
N/A	D1160	Standard Test Method for Distillation of Petroleum Products at Reduced Pressure.
N/A	D4530	Standard Test Method for Determination of Carbon Residue (Micro Method).
N/A	D5762	Standard Test Method for Nitrogen in Liquid Hydrocarbons, Petroleum and Petroleum Products by Boat-Inlet Chemiluminescence.

Anyone wishing to employ this entity to conduct laboratory analyses and gauger services should request and receive written assurances from the entity that it is accredited or approved by the U.S. Customs and Border Protection to conduct the specific test or gauger service requested. Alternatively, inquiries regarding the specific test or gauger service this entity is accredited or approved to perform may be directed to the U.S. Customs and Border Protection by calling (202) 344-1060. The inquiry may also be sent to CBPGaugersLabs@cbp.dhs.gov. Please reference the website listed below for a complete listing of CBP approved gaugers and accredited laboratories.
