

Agency Information Collection Activities; Royalty and Production Reporting, 90 FR 36068 (July 31, 2025).

(c) Accounting and Auditing Relief for Marginal Properties

ONRR's regulations, at 30 CFR part 1204, allow ONRR or a State that receives a statutorily prescribed portion of the royalties from a Federal lease to grant certain relief for marginal properties. This relief includes allowing a lessee to make a lump-sum advance payment of royalties instead of monthly royalty payments and various accounting and auditing relief options. See 30 CFR 1204.3. Lessees must submit information to ONRR for this relief. See §§ 1204.202, 1204.203, 1204.205, 1204.206, and 1204.209 through 1204.211.

(d) Requests To Exceed Allowance Limits

Title 30 CFR part 1206—Product Valuation, subparts C and D, prior to their amendment effective January 1, 2017, permitted a Federal oil and gas lessee to request to exceed certain caps that ONRR's regulations placed on transportation and processing allowances by filing form ONRR-4393 (Request to Exceed Regulatory Allowance Limitation), with supporting documentation. See §§ 1206.109(c)(2), 1206.153(c)(3), and 1206.158(c)(3). Subject to the statute of limitations, a lessee may file this form to request to exceed the caps for oil and gas produced prior to January 1, 2017. ONRR revised the form's general instructions to align with current regulations and to update the mailstop number.

This ICR does not include burden hours for submitting information on Form ONRR-4393 for Indian leases because those burden hours are addressed in ONRR's ICR 1012-0002 (Indian Oil and Gas Valuation).

Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. SUPPLEMENTARY INFORMATION:

Background.—On June 5, 2026, the Commission determined that the domestic interested party group response to its notice of institution (91 FR 10131, March 2, 2026) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the review has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for this review on July 22, 2026. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,² and any party

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

² The Commission has found the responses submitted on behalf of the Diamond Sawblades Manufacturers' Coalition ("DSMC") to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before 5:15 p.m. on July 29, 2026 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by July 29, 2026. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined this review is extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: July 1, 2026.
