The investigation is terminated.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 28, 2025, based on a complaint filed by ZIIP, Inc. of Pleasant Hill, California and The Beauty Tech Group Ltd. of the United Kingdom (together, ''Complainants''). 90 FR 54744 (Nov. 28, 2025). The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain microcurrent facial toning devices and systems thereof by reason of infringement of claims 1–4, 6, 7, 9, 11, and 12 of U.S. Patent No. 10,967,180 and claims 1–6, 8, 10, 12, 14, 15, and 18–20 U.S. Patent No. 12,042,652. *Id.* The complaint further alleges that a domestic industry exists. *Id.* The Commission's notice of investigation named as the sole respondent The Carol Cole Co. d/b/a NuFACE of Vista, California (''Respondent''). *Id.* The Office of Unfair Import Investigations is not participating in the investigation. *Id.*

On May 29, 2026, Complainants and Respondent filed a joint motion under Commission Rule 210.21(a)(2) (19 CFR 210.21(a)(2)) to terminate this investigation in its entirety based on a settlement agreement.

On June 11, 2026, the ALJ issued the subject ID (Order No. 12) pursuant to Commission Rule 210.(b) (19 CFR 210.21(b)), granting the motion. The subject ID finds that the motion complies with the Commission's Rules and that terminating the investigation would not be contrary to the public interest. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

The investigation is hereby terminated in its entirety.

The Commission vote for this determination took place on July 1, 2026.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: July 1, 2026.

[Investigation Nos. 701–TA–522 and 731–TA–1258 (Second Review)]

Passenger Vehicle and Light Truck Tires From China

Determinations

On the basis of the record [1] developed in the subject five-year reviews, the United States International Trade Commission (''Commission'') determines, pursuant to the Tariff Act of 1930 (''the Act''), that revocation of the antidumping and countervailing duty orders on passenger vehicle and light truck tires from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.[2]

Background

The Commission instituted these reviews on January 2, 2026 (91 FR 159) and determined on April 7, 2026 that it would conduct expedited reviews (91 FR 21310, April 21, 2026).

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on July 2, 2026. The views of the Commission are contained in USITC Publication 5760 (July 2026), entitled *Passenger Vehicle and Light Truck Tires from China: Investigation Nos. 701–TA–522 and 731–TA–1258 (Second Review).*
