The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States of certain antibody drug conjugates and components thereof and products containing the same by reason of misappropriation of trade secrets, the threat or effect of which is to destroy or substantially injure an industry in the United States or to prevent the establishment of an industry in the United States. *Id.* The Commission’s notice of investigation named as respondents ProfoundBio US Co. of Seattle, Washington; ProfoundBio (Suzhou) Co., Ltd. of Suzhou, China; Genmab A/S of Valby, Denmark; Genmab B.V. of Utrecht, Netherlands; and Genmab US, Inc. of Plainsboro, New Jersey (collectively, “Respondents”). *Id.* The Office of Unfair Import Investigations (“OUII”) is participating in the investigation. *Id.*

On June 8, 2026, AbbVie filed an unopposed motion under Commission Rule 210.21(a) (19 CFR 210.21(a)) to terminate this investigation in its entirety based on withdrawal of the complaint. On June 15, 2026, OUII filed a response supporting the motion. Respondents did not file a response.

On June 16, 2026, the ALJ issued Order No. 17 (the subject ID), which granted the motion. The ID found that no extraordinary circumstances counsel

against termination of this investigation and that the motion complies with the requirements of Commission Rule 210.21(a)(1). No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID. The investigation is hereby terminated in its entirety.

The Commission vote for this determination took place on July 1, 2026.

By order of the Commission.
