The public record for this investigation is viewable on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. General information concerning the Commission is available on its website (<https://www.usitc.gov>). Hearing-impaired individuals can obtain information on this matter by contacting the TDD terminal at 202-205-1810.

SUPPLEMENTARY INFORMATION: The information requested by the questionnaire is for use by the U.S. International Trade Commission in connection with Investigation No. 332-608, *USMCA Automotive Rules of Origin: Economic Impact and Operation, 2027 Report*, instituted under section 202A(g)(2) of the United States-Mexico-Canada Agreement (USMCA) Implementation Act (19 U.S.C. 4532(g)(2)) (the Act). The Act requires that the Commission prepare a series of five biennial reports on the USMCA automotive rules of origin (ROOs) and their impact on the U.S. economy, effect on U.S. competitiveness, and relevancy in light of technological changes, and to provide those reports to the President, the House Committee on Ways and Means, and the Senate Committee on Finance. The second of the five reports was delivered on July 1, 2025, with three additional reports due in 2027, 2029, and 2031.

This investigation was instituted on February 11, 2026, and the notice of investigation was published in the **Federal Register** on February 23, 2026 (91 FR 8521), and corrected in a notice published February 26, 2026 (91 FR 9640). The Commission will deliver the third of its five reports to the President and Congress by July 1, 2027. The Commission indicated in its notice of investigation that it will need to obtain data and information through a survey. The survey will assist the Commission in gathering responses and data from motor vehicle producers in the United States to determine the direct impacts of

the ROOs on the aforementioned factors. Such data are not publicly available, and without this information collection, certain aspects of the Commission's analysis of the impact of the ROOs will be less robust in, or absent from, its report to be submitted in compliance with the requirements under the Act.
