AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission (''Commission'') has determined not to review an initial determination (''ID'') (Order No. 12) of the presiding administrative law judge (''ALJ''), terminating this investigation in its entirety based on settlement. The investigation is terminated.

FOR FURTHER INFORMATION CONTACT: Ronald A. Traud, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–3427. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at *https://edis.usitc.gov.* For help accessing EDIS, please email *EDIS3Help@usitc.gov.* General information concerning the Commission may also be obtained by accessing its internet server at *https://www.usitc.gov.* Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 28, 2025, based on a complaint filed by ZIIP, Inc. of Pleasant Hill, California and The Beauty Tech Group Ltd. of the United Kingdom (together, ''Complainants''). 90 FR 54744 (Nov. 28, 2025). The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain microcurrent facial toning devices and systems thereof by reason of infringement of claims 1–4, 6, 7, 9, 11, and 12 of U.S. Patent No. 10,967,180 and claims 1–6, 8, 10, 12, 14, 15, and 18–20 U.S. Patent No. 12,042,652. *Id.* The complaint further alleges that a domestic industry exists. *Id.* The Commission's notice of investigation named as the sole respondent The Carol Cole Co. d/b/a NuFACE of Vista, California (''Respondent''). *Id.* The Office of Unfair Import Investigations is not participating in the investigation. *Id.*

On May 29, 2026, Complainants and Respondent filed a joint motion under Commission Rule 210.21(a)(2) (19 CFR 210.21(a)(2)) to terminate this investigation in its entirety based on a settlement agreement.

On June 11, 2026, the ALJ issued the subject ID (Order No. 12) pursuant to Commission Rule 210.(b) (19 CFR 210.21(b)), granting the motion. The subject ID finds that the motion complies with the Commission's Rules and that terminating the investigation would not be contrary to the public interest. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

The investigation is hereby terminated in its entirety.

The Commission vote for this determination took place on July 1, 2026.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

[Investigation Nos. 701–TA–522 and 731–TA–1258 (Second Review)]

Passenger Vehicle and Light Truck Tires From China

Determinations

On the basis of the record [1] developed in the subject five-year reviews, the United States International Trade Commission (''Commission'') determines, pursuant to the Tariff Act of 1930 (''the Act''), that revocation of the antidumping and countervailing duty orders on passenger vehicle and light truck tires from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.[2]

Background

The Commission instituted these reviews on January 2, 2026 (91 FR 159) and determined on April 7, 2026 that it would conduct expedited reviews (91 FR 21310, April 21, 2026).

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on July 2, 2026. The views of the Commission are contained in USITC Publication 5760 (July 2026), entitled *Passenger Vehicle and Light Truck Tires from China: Investigation Nos. 701–TA–522 and 731–TA–1258 (Second Review).*

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry. (19 U.S.C. 1337(d)(1)). A similar provision applies to cease and desist orders. (19 U.S.C. 1337(f)(1)).

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation, specifically: (i) a general exclusion order directed to certain flash-spun nonwoven materials and products containing same imported, sold for importation, and/or sold after importation into the United States; (ii) should the Commission not enter a general exclusion order, then a limited exclusion order directed to certain flash-spun nonwoven materials and products containing same imported, sold for importation, and/or sold after importation by respondents Kingwills New Material Technology Co., Ltd. of Nantong, Jiangsu, China; Zhejiang Qingyun New Material Co., Ltd. of Jiaxing, Zhejiang, China; Jiangsu Qingyun New Materials Co., Ltd. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

The Commission is interested in further development of the record on the public interest in this investigation. Accordingly, members of the public and interested government agencies are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the ALJ's Recommended Determination on Remedy and Bonding issued in this investigation on July 1, 2026. Comments should address whether issuance of the recommended remedial orders in this investigation, should the Commission find a violation, would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) explain how the articles potentially subject to the recommended remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainants' licensees, and/or third-party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and

(v) explain how the recommended orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on August 3, 2026.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above pursuant to 19 CFR 210.4(f). Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. Any non-party wishing to submit comments containing confidential information must serve those comments on the parties to the investigation pursuant to the applicable Administrative Protective Order. A redacted non-confidential version of the document must also be filed simultaneously with any confidential filing and must be served in accordance with Commission Rule 210.4(f)(7)(ii)(A) (19 CFR 210.4(f)(7)(ii)(A)). All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this investigation may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C.
