[Docket No. ID-8705-002]

Bartlett, Ryan; Notice of Filing

Take notice that on June 30, 2026, Ryan Bartlett submitted for filing, application for authority to hold interlocking positions, pursuant to section 305(b) of the Federal Power Act, 16 U.S.C. 825d (b) and Part 45.8 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure, 18 CFR part 45.8.

Any person desiring to intervene or to protest this filing must file in

accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://www.ferc.gov>). From the Commission's Home Page on the internet, this information is available on eLibrary. The full text of this document is available on eLibrary in PDF and Microsoft Word format for viewing, printing, and/or downloading. To access this document in eLibrary, type the docket number excluding the last three digits of this document in the docket number field.

User assistance is available for eLibrary and the Commission's website during normal business hours from FERC Online Support at 202-502-6652 (toll free at 1-866-208-3676) or email at ferconlinesupport@ferc.gov, or the Public Reference Room at (202) 502-8371, TTY (202) 502-8659. Email the Public Reference Room at public.referenceroom@ferc.gov.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically may mail similar pleadings to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426. Hand delivered submissions in docketed proceedings should be delivered to Health and Human Services, 12225 Wilkins Avenue, Rockville, Maryland 20852.

For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public Participation at (202) 502-6595 or OPP@ferc.gov.

The conference will be transcribed and will allow discussion panelists to participate in-person and panel

attendees to listen either in-person or virtually. Software presenters and attendees may participate either in-person or virtually on the second day of the conference. Further details on both in-person and virtual participation are available on the conference web page.¹

The technical conference will be open to the public. (Due to security screening, foreign nationals who had planned to attend in person were required to register through the Commission's website on or before June 12, 2026.) All attendees, including those who plan to participate virtually in Q&A on the second day of the conference, are encouraged to register through the Commission's website as soon as practical. Registration will help ensure that Commission staff can provide sufficient physical and virtual facilities, and communicate with attendees in the case of unanticipated emergencies or other changes to the conference schedule or location.

Slides for the second day of the conference were due from selected presenters by 5:00 p.m. EDT on Tuesday, June 30, 2026. Before 1:00 p.m. EDT on Monday, July 6, 2026, Commission staff will work with presenters to provide quality assurance that their presentation materials are prepared, formatted correctly, and ready for delivery during the conference. All updates to slides submitted before 5:00 p.m. on June 30, 2026 will be posted to the Commission website in advance of the conference. Late submissions will be posted to the Commission website after the conference; however, the live conference may use the slide versions submitted before the deadline.

To stay apprised of issuances in this docket, there is an "eSubscription" link on the Commission's website that enables subscribers to receive email notification when a document is added to a subscribed docket(s). Information on this technical conference will also be posted on the Calendar of Events on the Commission's website, www.ferc.gov, prior to the event. The Commission provides technical support for the free webcasts.
