N-Cyclohexylbenzothiazole-2-Sulfenamide From the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable July 8, 2026.

FOR FURTHER INFORMATION CONTACT: Kristen Johnson, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4793.

SUPPLEMENTARY INFORMATION:

Background

On May 27, 2026, the U.S. Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of n-cyclohexylbenzothiazole-2-sulfenamide from the People's Republic of China.¹ Currently, the preliminary determination in this CVD investigation is due no later than July 31, 2026.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the

investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On June 30, 2026, the petitioner² submitted a timely request that Commerce postpone the preliminary determination in this CVD investigation.³ The petitioner requests postponement to ensure that Commerce has sufficient time to issue supplemental questionnaires and to evaluate all relevant subsidy programs before reaching a preliminary determination.⁴ In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*, October 5, 2026.⁵ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

Notification to Interested Parties

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: July 1, 2026.

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

⁵ Postponing the preliminary determination to 130 days after initiation would place the deadline on Sunday, October 4, 2026. Commerce's practice dictates that where a deadline falls on a weekend or Federal holiday, the appropriate deadline is the next business day. accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order ⁴

The products covered by the scope of the *Order* are PET film from India. For a complete description of the scope, see the Issues and Decision Memorandum.

Analysis of Comments Received

The sole issue raised in the case and rebuttal briefs is addressed in the Issues and Decision Memorandum, and is listed in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Changes Since the Preliminary Results

Based on a review of the record and comments received, Commerce made no changes to the *Preliminary Results*.

Final Results of Review

Commerce determines that the following weighted-average dumping margin exists for the period July 1, 2023, through June 30, 2024:

Producer/exporter	Weighted-average dumping margin (percent)
Cosmo First Limited	24.14

Disclosure

Normally, Commerce discloses the calculations performed in connection with the final results of review within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**. However, because Commerce applied total AFA to Cosmo in these final results, there are no calculations to disclose.

Assessment Rates

Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries in this review, in

accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1).

Commerce intends to issue appropriate assessment instructions directly to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Cosmo will be 24.14 percent; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 5.71 percent, the all-others rate established in the underlying investigation.⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance

with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

These final results are being issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h).

Dated: July 1, 2026.
