OFFICE OF PERSONNEL MANAGEMENT**Submission for Renewal: Questionnaire for National Security Positions, Standard Form 86 (SF 86)**

AGENCY: Office of Personnel Management.

ACTION: 60-Day notice and request for comments.

SUMMARY: The Office of Personnel Management (OPM), Suitability Executive Agent Programs, is notifying the general public and other federal agencies that OPM proposes to request the Office of Management and Budget (OMB) renew Standard Form 86 (SF 86), Questionnaire for National Security Positions, without change.

DATES: Comments must be received on or before September 8, 2026.

ADDRESSES: You may submit comments on the Federal Rulemaking Portal:

<http://www.regulations.gov>. Follow the instructions for submitting comments. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Joe Knouff, Director, Suitability Executive Agent Programs, U.S. Office of Personnel Management, P.O. Box 699, Slippery Rock, PA 16057, or by email at SuitEA@opm.gov.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), OPM provides the general public and Federal agencies an opportunity to comment on this proposed renewal of an information collection. This process helps ensure that the collection is necessary for the proper performance of agency functions, minimizes public burden, and enhances the practical utility of the information collected.

The Questionnaire for National Security Positions, Standard Form 86 (SF 86), is currently used to collect information completed by applicants for, or incumbents of, Federal Government civilian positions, or positions in private entities performing work for the Federal Government under contract. The information collected is used as the basis of information for background investigations to determine whether individuals in national security positions are suitable or fit for employment or retention; fit to perform work on behalf of the Federal Government pursuant to a contract; and eligible for physical and logical access to federally controlled facilities or information systems. For applicants for civilian Federal employment, SF 86 is used only after a conditional offer of employment has been made.

The National Background Investigation Services (NBIS) electronic application (eApp) is the primary system used to collect this information. The electronic format incorporates branching logic that tailors questions based on an individual's responses, thereby reducing respondent burden by limiting questions to those relevant to the individual's personal history. The eApp system contains the investigative Standard Forms used by Federal applicants and employees to submit information required for personnel background investigations. Because the electronic application uses tailored questions and instructions, the
