

receive after the close of the comment period (see **DATES**).

When submitting comments, please specify the name of the applicant and the permit number at the beginning of your comment. Provide sufficient information to allow us to authenticate any scientific or commercial data you include. The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) those that include citations to, and analyses of, the applicable laws and regulations.

B. May I review comments submitted by others?

You may view and comment on others' public comments at <https://www.regulations.gov> unless our allowing so would violate the Privacy Act (5 U.S.C. 552a) or Freedom of Information Act (5 U.S.C. 552).

C. Who will see my comments?

If you submit a comment at <https://www.regulations.gov>, your entire comment, including any personal identifying information, will be posted on the website. If you submit a hardcopy comment that includes personal identifying information, such as your address, phone number, or email address, you may request at the top of your document that we withhold this information from public review. However, we cannot guarantee that we will be able to do so. Moreover, all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

II. Background

To help the Service carry out our conservation responsibilities for affected species, and in consideration of section 112(4) of the Wild Bird Conservation Act of 1992 (16 U.S.C. 4901–4916), we invite public comments on certain permit applications before final action is taken. With some exceptions, the WBCA prohibits certain activities with exotic bird species without Federal authorization. Service regulations regarding permits for any activity otherwise prohibited by the WBCA with respect to any wild birds are available in title 50 of the Code of Federal Regulations in part 15.

III. Permit Applications

We invite comments on the following applications.

IV. Next Steps

After the comment period closes, we will make decisions regarding permit issuance. If we issue permits to any of the applicants listed in this notice, we will publish a notice in the **Federal Register**. You may locate the notice announcing the permit issuance by searching <https://www.regulations.gov> for the permit number listed above in this document. For example, to find information about the potential issuance of Permit No. 12345A, you would go to <https://www.regulations.gov> and search for "12345A".

V. Authority

We issue this notice under the authority of the implementing regulations and under the authority of the Wild Bird Conservation Act of 1992 (16 U.S.C. 4901–4916). This notice is provided pursuant to section 112(4) of the Wild Bird Conservation Act of 1992, 50 CFR 15.26(c).

Scott Carleton,

Acting Branch Chief, Branch of Permits, Division of Management Authority.

Notice of Inventory Completion: History Colorado, Denver, CO

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), History Colorado has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after August 10, 2026.

ADDRESSES: Send written requests for repatriation of the human remains in this notice to Chance Ward, History Colorado, 1200 Broadway, Denver CO 80203, email Chance.Ward@state.co.us.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of History Colorado, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, four individuals have been identified. No associated funerary objects are present. The individuals were transferred to History Colorado from the offices of multiple county coroners. Provenience information is minimal or absent for all individuals. Based on available information, the individuals have been determined to be likely Native American and archaeological in age. The individuals are reported to originate from locations within the present-day boundaries of Colorado. Specifically the Northwest region of Colorado. Including the counties of Chaffee, Clear Creek, Delta, Eagle, Fremont, Garfield, Grand, Gunnison, Jackson, Lake, Mesa, Moffat, Montrose, Park, Pitkin, Rio Blanco, Routt, Summit, and Ouray. No known hazardous substances were used in the treatment or preservation of the human remains.

- OAHP Case 353—From Montrose County. Two Ancestors. No funerary objects.
- OAHP Case 354—From Mesa County. One Ancestor. No funerary objects.
- OAHP Case 355—From Montrose County. One Ancestor. No funerary objects.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location of the human remains described in this notice.

Determinations

History Colorado has determined that:

- The human remains described in this notice represent the physical remains of 4 individuals of Native American ancestry.
- There is a connection between the human remains in this notice and the Southern Ute Indian Tribe of the Southern Ute Reservation, Colorado; Ute Indian Tribe of the Uintah & Ouray Reservation, Utah; and the Ute Mountain Ute Tribe.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under

ADDRESSES. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains described in this notice to a requestor may occur on or after August 10, 2026. If competing requests for repatriation are received, History Colorado must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. History Colorado is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: June 30, 2026.

Melanie O'Brien,

Manager, National NAGPRA Program.
