For ASAS, which was not selected for individual review, we will assign an assessment rate based on the review-specific rate, calculated as noted in the ''Rate for Companies Not Individually Examined'' section, above. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.[18]

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) the company-specific cash deposit rate for Assan, Teknik, and ASAS will be equal to the weighted-average dumping margin established in the final results of this review for each respondent (except, if that rate is *de minimis,* then the cash deposit rate will be zero); (2) for producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review or a prior segment of the proceeding but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 4.85 percent, the all-others rate established in the less-than-fair-value investigation.[19] These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h) and 351.221(b)(4).

Dated: July 7, 2026.

SUPPLEMENTARY INFORMATION:

Background

On June 25, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the countervailing duty order on aluminum sheet from Türkiye.[1] On September 16, 2025, Commerce selected Assan Aluminyum Sanayi ve Ticaret A.S., Kibar Holding A.S., Kibar Dis Ticaret A.S., and Kibar Americas, Inc. (collectively, Assan) and Teknik Aluminyum Sanayi A.S. (Teknik) as the mandatory respondents in this review.[2]

On December 9, 2024, Commerce tolled certain deadlines in this administrative review by 90 days.[3] Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.[4] Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.[5] On February 24, 2026, we extended the deadline for the preliminary results of this review until June 30, 2026.[6] On June 30, 2026, Commerce further extended the deadline for issuing the preliminary results to no later than July 7, 2026.[7]

ACCESS is available to registered users at *https://access.trade.gov.* In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at *https://access.trade.gov/frnotices.*

Scope of the Order

The product covered by the *Order* is aluminum sheet from Türkiye. For a complete description of the scope of the *Order, see* the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.,* a financial contribution by an ''authority'' that gives rise to a benefit to the recipient, and that the subsidy is specific.[9] For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum.

Rate for Non-Individually Examined Companies

The Act does not address the establishment of a countervailable subsidy rate to be applied to individual companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce's regulation at 19 CFR 351.109(g) states that Commerce will determine the rate for non-selected companies by following the process set forth in 19 CFR 351.109(f)(1)–(2), which generally parallels the process for determining the all-others rate in an investigation under section 705(c)(5)(A) of the Act. Section 705(c)(5)(A) of the Act and 19 CFR 351.109(f) articulate a preference that Commerce is not to calculate an all-others rate using rates for individually examined respondents which are zero, *de minimis* or based entirely on facts available. Accordingly, Commerce's usual practice in determining the rate for unexamined exporters and producers has been to weight average the countervailable subsidy rates for the individually-examined companies, excluding rates that are zero, *de minimis,* or based entirely on facts available.

We preliminarily determine that Assan and Teknik received countervailable subsidies that are above *de minimis* and are not based entirely on facts available. Accordingly, for these preliminary results, we are applying a simple average of the subsidy rates calculated for Assan and Teknik because we do not have public ranged data on the record at this time.[10] However, Commerce intends to solicit this information for use in the final results. The companies for which a review was requested, which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent, are ASAS Aluminyum Sanayi ve Ticaret A.S. and P.M.S. Metal Profil Aluminyum Sanayi ve Ticaret A.S.

Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rates exist for the POR, January 1, 2024, through December 31, 2024: [11] [12]

Company	Subsidy rate (percent *ad valorem*)
Assan Aluminyum Sanayi ve Ticaret A.S.11	2.64
Teknik Aluminyum Sanayi A.S.12	2.47
ASAS Aluminyum Sanayi ve Ticaret A.S	2.56
P.M.S. Metal Profil Aluminyum Sanayi ve Ticaret A.S	2.56

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within 10 days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public executive summary for each issue raised in their briefs.[15] Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.,* within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.107(e), Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review, as follows: (1) the cash deposit rate for the companies listed above will be equal to the company-specific estimated individual countervailable subsidy rates determined in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) if both the producer and exporter of the subject merchandise have company-specific estimated subsidy rates assigned, and their rates differ, then the applicable cash deposit rate will be the higher of these two rates; (3) if either the producer or the exporter, but not both, of the subject merchandise has a company-specific estimated subsidy rate assigned, the applicable cash deposit rate will be that company's company-specific rate; and (4) the cash deposit rate for all other producers and exporters will be continue to be 3.45 percent, the all-others subsidy rate established in the investigation.[18] These cash deposit instructions, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless the deadline is extended, Commerce intends to issue the final results of this administrative review, which will include the results of Commerce's analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).
