On May 19, 2026, the Commission issued a notice asking the parties to the investigation, interested government agencies, and any other interested parties to file written submissions on the issues of remedy, the public interest, and bonding. 91 FR at 29983–84 (''the Remedy Notice'').

On June 10, 2026, IngenioSpec filed a submission to the Remedy Notice. No other responses were received.

When the conditions in section 337(g)(1)(A)–(E) (19 U.S.C. 1337(g)(1)(A)–(E)) have been satisfied, section 337(g)(1) and Commission Rule 210.16(c) (19 CFR 210.16(c)) direct the Commission, upon request, to issue an LEO or CDO or both against a respondent found in default, based on the allegations regarding a violation of section 337 in the complaint, which are presumed to be true, unless after consideration of the public interest factors in section 337(g)(1), it finds that such relief should not issue.

Having examined the record of this investigation, including the submission in response to the Remedy Notice, the Commission has determined, pursuant to section 337(g)(1) (19 U.S.C. 1337(g)(1)), that the appropriate remedy in this investigation is: (1) an LEO prohibiting the unlicensed entry of certain electronic eyewear products, components thereof, and related charging apparatuses by reason of infringement of any of claims 1–15, 17–18, 20–21, 23–25, 28–35, 37 and 40 of the '296 patent and claims 36, 43–53, 55–67, and 69–72 of the ’870 patent by Defaulting Respondent and (2) a CDO directed to Defaulting Respondent. The Commission has determined that the public interest factors enumerated in subsection 337(g)(1) do not preclude the issuance of the LEO and CDOs. The Commission has further determined that the bond during the period of Presidential review pursuant to section 337(j) (19 U.S.C. 1337(j)) shall be in the amount of one hundred percent (100%) of the entered value of the imported articles that are subject to the LEO.

The investigation is hereby terminated.

The Commission vote for this determination took place on July 9, 2026.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: July 9, 2026.

Lisa Barton,

Secretary to the Commission.
