Executive Order 12866 section 3(f) defines a “significant regulatory action” as one that is likely to result in a rule that may: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; (2) create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) raise novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles set forth in the Executive Order. FHFA has determined the Notice not to be a “significant regulatory action” for purposes of Executive Order 12866. OIRA has concurred in this determination, and therefore, the Notice is not subject to review under Executive Order 12866.

E. Executive Order 14192—Unleashing Prosperity Through Deregulation

Executive Order 14192 requires that an agency, unless prohibited by law, identify at least 10 existing regulations to be repealed when the agency publicly proposes for notice and comment or otherwise promulgates a new regulation with total costs greater than zero. Executive Order 14192 further requires that new incremental costs associated with new regulations shall, to the extent permitted by law, be offset by the elimination of existing costs associated with at least ten prior regulations. This Notice is expected to be an Executive Order 14192 deregulatory action with *de minimis* regulatory cost savings.
