

the record to make a determination within 30 business days, CITA extended the period to make a determination by 14 U.S. business days. Further, in accordance with section 8(c)(4)(i) of its procedures, CITA called for a public meeting on June 11, 2026 with representatives of Varsity and Summitex to provide the companies with an opportunity to submit additional evidence to substantiate their claims regarding Summitex's capability to supply the subject product in commercial quantities in a timely manner.

Section 203(o)(4)(C)(ii) of the CAFTA–DR Implementation Act provides that after receiving a request, a determination will be made as to whether the subject product is available in commercial quantities in a timely manner in the CAFTA–DR countries. In the instant case, the information on the record indicates that Varsity made significant efforts to source the fabric in the CAFTA–DR region, specifically from Summitex. However, Summitex has not demonstrated its ability to supply the subject product in commercial quantities in a timely manner. Therefore, in accordance with section 203(o) of the CAFTA–DR Implementation Act and CITA's procedures, as no interested entity has substantiated its ability to supply the subject product in commercial quantities in a timely manner, CITA has determined to add the specified fabric to the list in Annex 3.25 of the CAFTA–DR.

The subject product has been added to the list in Annex 3.25 of the CAFTA–DR Agreement in unrestricted quantities. A revised list has been posted on the dedicated website for CAFTA–DR Commercial Availability proceedings, at <https://otexaprod.trade.gov/otexacapublicsite/shortsupply/cafta>.
