INTERNATIONAL TRADE COMMISSION

[Investigation No. 731–TA–1070A (Fourth Review)]

Crepe Paper From China; Determination

On the basis of the record¹ developed in the subject five-year review, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that revocation of the antidumping duty order on crepe paper from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

Barlow St-Clair Lynch, M.D.; Decision and Order

On December 23, 2025, the Drug Enforcement Administration (DEA or Government) issued an Order to Show Cause (OSC) to Barlow St-Clair Lynch, M.D., of Brunswick, ME (Registrant). Request for Final Agency Action (RFAA), Exhibit (RFAAX) 1, at 1, 3. The OSC proposed the revocation of Registrant's Certificate of Registration No. FL4408995, alleging that Registrant's registration should be revoked because Registrant is “currently without authority to prescribe, administer, dispense, or otherwise handle controlled substances in the State of Maine, the state in which [he is] registered with DEA.” *Id.* at 2 (citing 21 U.S.C. 824(a)(3)).

The OSC notified Registrant of his right to file a written request for hearing, and that if he failed to file such a request, he would be deemed to have waived his right to a hearing and be in default. *Id.* (citing 21 CFR 1301.43). Here, Registrant did not request a hearing, and the Agency finds him to be in default. RFAA, at 2–3.¹ “A default, unless excused, shall be deemed to constitute a waiver of the registrant's/

¹ Based on the Government's submissions in its RFAA dated March 3, 2026, the Agency finds that service of the OSC on Registrant was adequate. The RFAA's included Declaration from a DEA Diversion Investigator (DI) indicates that on January 8, 2026, the DI emailed the OSC to Registrant's registered email address. RFAAX 2, at 1; *see also id.*, Attachment A. Further, on January 12, 2026, the DI mailed a copy of the OSC to the mailing address that Registrant provided to DEA. *Id.* at 1–2; *see also id.*, Attachment B. On January 15, 2026, the DI, along with other DEA personnel, traveled to Registrant's registered address to personally serve Registrant with the OSC, where they were informed that Registrant was not on the employee roster of the business associated with the address. *Id.* at 2. Here, the Agency finds that Registrant was successfully served the OSC by email and that the DI's efforts to serve Registrant by other means were “reasonably calculated, under all the circumstances, to apprise [Registrant] of the pendency of the action.” *Jones v. Flowers*, 547 U.S. 220, 226 (2006) (quoting *Mullane v. Central Hanover Bank & Trust Co.*, 339 U.S. 306, 314 (1950)); *see also Mohammed S. Aljanaby, M.D.*, 82 FR 34552, 34552 (2017) (finding that service by email satisfies due process where the email is not returned as undeliverable and other methods have been unsuccessful).

applicant's right to a hearing and an admission of the factual allegations of the [OSC].” 21 CFR 1301.43(e).

Further, “[i]n the event that a registrant . . . is deemed to be in default . . . DEA may then file a request for final agency action with the Administrator, along with a record to support its request. In such circumstances, the Administrator may enter a default final order pursuant to [21 CFR] 1316.67.” *Id.* at 1301.43(f)(1). Here, the Government has requested final agency action based on Registrant's default pursuant to 21 CFR 1301.43(c), (f), 1301.46. RFAA, at 1; *see also* 21 CFR 1316.67.

Findings of Fact

The Agency finds that, in light of Registrant's default, the factual allegations in the OSC are deemed admitted. According to the OSC, Registrant's Maine medical license expired by its own terms on June 30, 2025. RFAAX 1, at 2. According to Maine online records, of which the Agency takes official notice,² Registrant's state medical license is expired (Status: “Failed to Renew”). State of Maine Regulatory Licensing & Permitting License Search, Search License Information, <https://www.pfr.maine.gov/ALMSOnline/ALMSQuery/Welcome.aspx> (last visited date of signature of this Order). Accordingly, the Agency finds that Registrant is not licensed to practice medicine in Maine, the state in which he is registered with DEA.³

Discussion

Pursuant to 21 U.S.C. 824(a)(3), the Attorney General is authorized to suspend or revoke a registration issued under 21 U.S.C. 823 “upon a finding that the registrant . . . has had his State license or registration suspended . . . [or] revoked . . . by competent State authority and is no longer authorized by

² Under the Administrative Procedure Act, an agency “may take official notice of facts at any stage in a proceeding—even in the final decision.” United States Department of Justice, Attorney General's Manual on the Administrative Procedure Act 80 (1947) (Wm. W. Gaunt & Sons, Inc., Reprint 1979).

³ Pursuant to 5 U.S.C. 556(e), “[w]hen an agency decision rests on official notice of a material fact not appearing in the evidence in the record, a party is entitled, on timely request, to an opportunity to show the contrary.” The material fact here is that Registrant, as of the date of this Order, is not licensed to practice medicine in Maine. Accordingly, Registrant may dispute the Agency's finding by filing a properly supported motion for reconsideration of findings of fact within fifteen calendar days of the date of this Order. Any such motion and response shall be filed and served by email to the other party and to the Office of the Administrator, Drug Enforcement Administration, at dea.addo.attorneys@dea.gov.
