#### SUPPLEMENTARY INFORMATION:

##### Background

On May 20, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the countervailing duty order on aluminum sheet from India.<sup>1</sup> On June 26, 2025, the petitioners<sup>2</sup> timely withdrew their requests for review of Hindalco Industries Limited (Hindalco), Jindal

Aluminum Limited (Jindal), and Virgo Aluminum Limited (Virgo).<sup>3</sup>

Due to a lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.<sup>4</sup> Due to a backlog of documents that were electronically filed via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.<sup>5</sup> Additionally, on March 3, 2026, we extended the deadline for the preliminary results until June 30, 2026.<sup>6</sup> On June 29, 2026, we extended the deadline for the preliminary results until July 7, 2026.<sup>7</sup>

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>8</sup> A list of topics discussed in the Preliminary Decision Memorandum is included in an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

#### Scope of the Order

The merchandise covered by this Order is aluminum sheet from India. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.

#### Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested a review

withdraws the request within 90 days of the date of the publication of the notice of initiation. As noted above, Commerce received timely-filed withdrawal requests with respect to Hindalco, Jindal, and Virgo and no other parties requested a review of these companies. Therefore, we are rescinding this administrative review with respect to Hindalco, Jindal, and Virgo, pursuant to 19 CFR 351.213(d)(1).

### Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>9</sup> For a full description of the methodology underlying our preliminary conclusions, *see* the Preliminary Decision Memorandum.

### Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rate exists for the period January 1, 2024, through December 31, 2024:

| Company                                  | Subsidy rate<br>2024<br>(percent <i>ad valorem</i> ) |
|------------------------------------------|------------------------------------------------------|
| Manaksia Aluminium Company Limited ..... | 7.62                                                 |

### Disclosure

Commerce intends to disclose its calculations performed to interested parties for these preliminary results within 10 days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register** in accordance with 19 CFR 351.224(b).

### Verification

On August 20, 2025, the petitioners requested that Commerce conduct verification of MALCO’s responses.<sup>10</sup> Accordingly, in May 2026, as provided in section 782(i)(3) of the Act, we verified MALCO’s information relied

upon for the preliminary results of this review.<sup>11</sup>

### Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which Commerce issues its post-preliminary analysis in this administrative review. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.<sup>12</sup> Interested parties who submit case or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>13</sup> All briefs must be filed electronically using ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes.<sup>14</sup> Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>15</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of

publication of this notice. Requests should contain: (1) the party’s name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the case briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.<sup>16</sup>

### Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies listed above for which the review is being rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue these rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

Commerce intends to issue assessment instructions to CBP regarding MALCO no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

### Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.107(e), Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review, as follows: (1) the cash deposit rate for the company listed above will be equal to the company-specific estimated individual countervailable subsidy rate determined in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) if both the producer and exporter of the subject

#### Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a LTFV investigation within 140 days after the date on which Commerce initiated the investigation.
