AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable July 14, 2026.

FOR FURTHER INFORMATION CONTACT:

Christopher Maciuba or Jerry Xiao at (202) 482-0413 or (202) 482-2273, respectively, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On March 17, 2026, the U.S. Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation of imports of truck bed covers from the People's Republic of China.¹ Currently, the preliminary determination is due no later than August 4, 2026.

Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, if Commerce concludes that the parties concerned in the investigations are cooperating and determines that the investigation is extraordinarily complicated, sections 733(c)(1)(B)(i) and (ii) of the Act allows Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation.

Commerce has determined that the parties involved in the proceeding are cooperating and that the investigation is extraordinarily complicated.² Specifically, Commerce requires additional time to analyze the separate rate applications, analyze the questionnaire responses, and issue appropriate requests for clarification and additional information. Therefore,

¹ See *Truck Bed Covers from the People's Republic of China: Initiation of a Less-Than-Fair-Value Investigation*, 91 FR 13568 (March 20, 2026) (Initiation Notice).

² See section 733(c)(1)(B) of the Act.

in accordance with section 733(c)(1)(B) of the Act, Commerce is postponing the deadline for issuing the preliminary determination of this investigation by 50 days.

As a result, Commerce will issue its preliminary determination no later than September 23, 2026. Pursuant to section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that Oman Fasteners, LLC (Oman Fasteners), the sole producer and exporter subject to this administrative review, did not make sales of certain steel nails (steel nails) from the Sultanate of Oman (Oman) in the United States at prices below normal value (NV) during the period of review (POR), July 1, 2023, through June 30, 2024.

DATES: Applicable July 14, 2026.

SUPPLEMENTARY INFORMATION:

Background

On January 9, 2026, Commerce published the *Preliminary Results* of this administrative review and we invited interested parties to comment.¹

¹ See *Certain Steel Nails from the Sultanate of Oman: Preliminary Results and Rescission, in Part*,

¹⁷ See *Order*, 86 FR at 22145.

A summary of the events that occurred since Commerce published the *Preliminary Results*, as well as a full discussion of the issues raised by parties for these final results, are discussed in the Issues and Decision Memorandum.²

The Issues and Decision Memorandum is a public document and is on-file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), which is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Scope of the Order³

The product covered by this *Order* is steel nails from Oman. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in the parties' case and rebuttal briefs are addressed in the Issues and Decision Memorandum and are listed in the appendix to this notice.

Changes Since the Preliminary Results

Based on comments received from interested parties regarding our *Preliminary Results* and our review of the record, we made changes to the preliminary weighted-average dumping margin calculations for Oman Fasteners, as detailed in the Issues and Decision Memorandum.⁴

Final Results of Review

As a result of this review, we determine the following estimated weighted-average dumping margin exists for the POR:

Exporter or producer	Weighted-average dumping margin (percent)
Oman Fasteners, LLC ..	0.00

of Antidumping Duty Administrative Review; 2023–2024, 91 FR 964 (January 9, 2026) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

Disclosure

Commerce intends to disclose the calculations and analysis performed for these final results to interested parties within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with these final results of review.⁵ Pursuant to 19 CFR 351.212(b)(1), we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce's “automatic assessment” practice will apply to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know that the merchandise it sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or

withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Tariff Act of 1930, as amended (Act): (1) the cash deposit rate for the companies listed above will be equal to the weighted-average dumping margin that is established in the “Final Results of Review”; (2) for previously investigated or reviewed companies not subject to this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of the proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers and exporters will continue to be 9.10 percent *ad valorem*, the all-others rate established in the LTFV investigation.⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

⁵ See 19 CFR 351.212(b).

⁶ For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

⁷ See *Order*.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5) and 19 CFR 351.213(h)(1).

Dated: July 8, 2026.

Christopher Abbott,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that Teh Fong Min International Co., Ltd., also known as Teh Fong Ming International Co., Ltd. (collectively, TFM), the sole producer and/or exporter subject to this administrative review, made sales of stilbenic optical brightening agents (stilbenic OBAs) at less than normal value (NV) during the period of review (POR), May 1, 2024 through April 30, 2025. Interested parties are invited to comment on these preliminary results.

DATES: Applicable July 14, 2026.

FOR FURTHER INFORMATION CONTACT: Jack Vachon, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3572.

SUPPLEMENTARY INFORMATION:

Background

On May 10, 2012, we published the antidumping duty order on stilbenic OBAs from Taiwan in the **Federal Register**.¹ On June 25, 2025, based on timely requests for an administrative review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated this administrative review of the *Order* with respect to TFM.²

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.³ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁴ On March 12 and

June 3, 2026, Commerce extended the deadline for the preliminary results by 60 days and 30 days, respectively.⁵ Accordingly, the deadline for these preliminary results is now July 8, 2026.

For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.⁶ A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS, which is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum is available at <https://access.trade.gov/fnnotices>.

Scope of the Order

The products covered by the *Order* are stilbenic OBAs from Taiwan. For a complete description of the scope of the *Order*, *see* the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, *see* the Preliminary Decision Memorandum.

Preliminary Results of Review
