BILLING CODE P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

[Office of Management and Budget #: 0970–0550]

Submission for Office of Management and Budget Review; Office of Refugee Resettlement Unaccompanied Refugee Minors Program Application and Withdrawal of Unaccompanied Refugee Minors Program Application or Declination of Unaccompanied Refugee Minors Program Placement Forms

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Refugee Resettlement is requesting a 3-year

extension with revisions of the Unaccompanied Refugee Minors (URM) Program Application and Withdrawal of URM Program Application or Declination of URM Program Placement Forms (Office of Management and Budget #: 0970–0550, expiration July 31, 2026). Revisions were made to reduce burden and streamline information collection.

DATES: *Comments due* August 14, 2026.

ADDRESSES: The public may view and comment on this information collection request at: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202607-0970-005. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The URM Program Application is completed on behalf of unaccompanied minors in the United States who are applying for entry into the URM Program. The application includes biographical data and information on the child’s needs to support placement efforts. The Withdrawal of URM Program Application or Declination of URM Program Placement Forms are completed when a child is no longer interested in entering the URM Program or is not interested in entering the

placement he/she was offered. These forms will be translated into Spanish, French, and other languages as appropriate. ACF acknowledges that English is the official language and authoritative version of all federal information and will note this on the translated material.

Proposed revisions include reducing the number of open-ended text box questions by 67 percent, changing the format of other questions to allow for quicker responses, cutting unnecessary questions, and revising instructions for enhanced clarity.

Respondents: Case managers, attorneys, or other representatives working with unaccompanied minors who may be eligible for the URM Program.

Annual Burden Estimates

The edits described above will result in a reduction in average burden hours per respondent by 33 percent. The estimated total number of respondents over the next 3 years is expected to be fewer than previously estimated. Overall, the estimated total annual burden hours will be reduced by 48 percent once revisions are implemented. Revisions will be implemented after a 12-month implementation timeframe; the following burden estimates are specific to the revised version following the implementation period.

Instrument	Total number of respondents	Annual number of responses per respondent	Average burden hours per response	Annual burden hours
Unaccompanied Refugee Minors Program Application	350	1	1.00	350
Withdrawal of Application or Declination of Placement Forms	40	1	0.20	8
Estimated Total Annual Burden Hours				358

(Authority: 8 U.S.C. 1522(d).)

Mary C. Jones,
ACF/OPRE Certifying Officer.

BILLING CODE 4184–89–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Meetings of the Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria

AGENCY: Office of the Assistant Secretary for Health, Office of the Secretary, Department of Health and Human Services.

ACTION: Notice; 28th public meeting of the Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria.

SUMMARY: As stipulated by the Federal Advisory Committee Act, the Department of Health and Human Services (HHS) is hereby giving notice that an in-person meeting is scheduled to be held for the Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria (PACCARB). The meeting will be open to the public as well as streamed live on hhs.gov/live. A pre-registered public comment session will be held during the meeting. Pre-registration is required for members of the public who wish to present their comments live during the meeting. Individuals who wish to send in their written public comment should send an

email to CARB@hhs.gov. Registration information is available on the website <http://www.hhs.gov/paccarb> and must be completed by September 1, 2026, to attend and/or provide live comments at the September 9–10, 2026 public meeting. Additional information about registering for the meeting and providing public comment can be obtained at <http://www.hhs.gov/paccarb> on the Upcoming Meetings page.

DATES: The meeting is scheduled to be held on September 9–10, 2026, from 9:00 a.m. to 5:00 p.m. ET (times are tentative and subject to change). The confirmed times and agenda items for the meeting will be posted on the website for the PACCARB at <http://www.hhs.gov/paccarb> when this information becomes available. Pre-

registration for attending the meeting starts July 31, 2026 and it should be completed no later than September 1, 2026.

ADDRESSES: The meeting will be held in-person at the Hubert H. Humphrey Building, Room 800, 200 Independence Avenue SW, Washington, DC 20201. The meeting will also be live-streamed and can be accessed through a live webcast on the day of the meeting. Additional instructions regarding attending this meeting virtually will be posted at least one week prior to the meeting at: <http://www.hhs.gov/paccarb>.

FOR FURTHER INFORMATION CONTACT: Sarah McClelland, M.P.H., Designated Federal Officer, Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria, Office of the Assistant Secretary for Health, U.S. Department of Health and Human Services, Email: CARB@hhs.gov.

SUPPLEMENTARY INFORMATION: The Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria (PACCARB), established by Executive Order 13676, is continued by Section 505 of Public Law 116–22, the Pandemic and All-Hazards Preparedness and Advancing Innovation Act of 2019 (PAHPAIA). Activities and duties of the PACCARB are governed by the provisions of the Federal Advisory Committee Act (FACA), Public Law 92–463, as amended (5 U.S.C. App.), which sets forth standards for the formation and use of federal advisory committees.

The PACCARB shall advise and provide information and recommendations to the Secretary of Health and Human Services (Secretary) regarding programs and policies intended to reduce or combat antibiotic-resistant bacteria that may present a public health threat and improve capabilities to prevent, diagnose, mitigate, or treat such resistance. The PACCARB shall function solely for advisory purposes.

Such advice, information, and recommendations may be related to improving: the effectiveness of antibiotics; research and advanced research on, and the development of, improved and innovative methods for combating or reducing antibiotic resistance, including new treatments, rapid point-of-care diagnostics, alternatives to antibiotics, including alternatives to animal antibiotics, and antimicrobial stewardship activities; surveillance of antibiotic-resistant bacterial infections, including publicly available and up-to-date information on resistance to antibiotics; education for health care providers and the public

with respect to up-to-date information on antibiotic resistance and ways to reduce or combat such resistance to antibiotics related to humans and animals; methods to prevent or reduce the transmission of antibiotic-resistant bacterial infections; including stewardship programs; and coordination with respect to international efforts in order to inform and advance the United States capabilities to combat antibiotic resistance.

The focus of the September 9–10, 2026, meeting will be to explore how microbiome science can support AMR prevention, drive novel interventions, and build public awareness and understanding of microbiome-focused health promotion measures. The meeting will focus on innovative and emerging topics in antimicrobial resistance (AMR) and the microbiome. The meeting agenda will be posted on the PACCARB website at <http://www.hhs.gov/paccarb> when it has been finalized. All agenda items are tentative and subject to change. Instructions regarding attending the meeting virtually will be posted at least one week prior to the meeting at: <http://www.hhs.gov/paccarb>. Members of the public will have the opportunity to provide comments during the September meeting by pre-registering online at <http://www.hhs.gov/paccarb>; pre-registration is required for participation in this session with limited spots available. Written public comments can also be emailed to CARB@hhs.gov by midnight September 2, 2026, and should be limited to no more than one page. All public comments received prior to September 2, 2026, will be provided to the PACCARB members.

Sarah McClelland,

Designated Federal Officer, Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria, Office of the Assistant Secretary for Health.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Request for Information (RFI): Inviting Comments and Suggestions on Topic Areas for the NIDCR Strategic Plan for Fiscal Years 2027–2031

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: The National Institute of Dental and Craniofacial Research (NIDCR) is developing its Strategic Plan for Fiscal Years 2027–2031. NIH is publishing this Request for Information (RFI) to solicit input from researchers in academia and industry; health care professionals; patient advocates and advocacy organizations; scientific and professional societies; federal partners; and other interested members of the public on topics under consideration for the next strategic plan. Organizations are strongly encouraged to submit a single response that reflects the views of the organization and its membership.

DATES: Comments must be received by 11:59:59 p.m. (ET) on Monday, September 14, 2026.

ADDRESSES: Responses to this RFI must be submitted electronically using the web-based form at: <https://www.nidcr.nih.gov/about-us/strategic-plan/not-de-26-015>.

FOR FURTHER INFORMATION CONTACT: Questions about this request for information should be directed to Wendy Knosp, Ph.D., National Institute of Dental and Craniofacial Research, 31 Center Drive, Bethesda, MD 20892, nidcrstrategicplan@nidcr.nih.gov, 240–597–8345.

SUPPLEMENTARY INFORMATION:

Background

The National Institute of Dental and Craniofacial Research (NIDCR), established in 1948 through the National Dental Research Act, is the federal government's lead agency for research on dental, oral, and craniofacial (DOC) health and disease. NIDCR's mission is to advance fundamental knowledge about DOC health and disease and translate these findings into prevention, early detection, and treatment strategies that improve overall health across the lifespan.

In accordance with the 21st Century Cures Act (Pub. L. 114–255), NIDCR is developing its Strategic Plan for Fiscal Years 2027–2031. The Institute's current strategic plan, *Science: Advancing Oral Health for All 2021–2026* (available at <https://www.nidcr.nih.gov/sites/default/files/2022-01/NIDCR-Strategic-Plan-2021-2026.pdf>), is organized around five strategic priorities: integrate oral and general health; precision dental medicine; translate and implement; robust research pipeline; and partner and collaborate. These priorities have helped shape a robust and responsive research portfolio.

As the world's largest funder of oral health research, NIDCR advances fundamental knowledge of dental, oral,
