

PN: BX-802, or with a TSP inlet designed for 16.67 liters/min, Inlet Heater/Sample Conditioner (Met One PN: 84288), and Met One PN: BX-597A ambient temperature/barometric pressure/relative humidity combination sensor or compatible Weather Sensor as specified in the OPX 1025 Operation Manual; and configured for operation with firmware version 1.0.0 or later, in accordance with the OPX 1025 Operation Manual. This designation applies to PM_{2.5} measurements only.

An application for an equivalent method determination for this PM_{2.5} method was received by the EPA on July 11, 2025. This monitor is commercially available from the applicant, Met One Instruments, 200 NE Greenfield Drive, Grants Pass, OR 97526.

The new equivalent method for PM₁₀ is an automated method (monitor) utilizing the measurement principle based on optical mass spectroscopy. This newly designated equivalent method is identified as follows:

EQPM-1225-274, "Met One Instruments Powered by Acoem OPX 1025 Optical PM₁₀ Mass Monitor," continuous ambient particulate monitor operated at a volumetric flow rate of 16.67 liters/min equipped with a standard US EPA PM₁₀ size-selective inlet (meeting 40 CFR 50 Appendix L specifications); for example, Met One PN: BX-802, Inlet Heater/Sample Conditioner (Met One PN: 84288), and Met One PN: BX-597A ambient temperature/barometric pressure/relative humidity combination sensor or compatible Weather Sensor as specified in the OPX 1025 Operation Manual; and configured for operation with firmware version 1.0.0 or later, in accordance with the OPX 1025 Operation Manual. This designation applies to PM₁₀ measurements only.

An application for an equivalent method determination for this PM₁₀ method was received by the EPA on July 21, 2025. This monitor is commercially available from the applicant, Met One Instruments, 200 NE Greenfield Drive, Grants Pass, OR 97526.

The new equivalent method for PM_{10-2.5} utilizes a pair of optical mass spectroscopy monitors that have been designated individually as equivalent methods, one for PM_{2.5} and the other for PM₁₀. The PM_{2.5} and PM₁₀ monitors are designated as equivalent methods EQPM-1125-273 and EQPM-1225-274, respectively. The newly designated PM_{10-2.5} monitor is identified as follows:

EQPM-1225-275, "Met One Instruments Powered by Acoem OPX 1025 Optical PM_{10-2.5} Mass Monitor Pair," for the determination of coarse particulate matter as PM_{10-2.5}, consisting

of a pair of Met One Instruments Powered by Acoem OPX 1025 monitors, with one being the OPX 1025 Optical PM_{2.5} monitor (EQPM-1125-273) and the other being the OPX 1025 Optical PM₁₀ monitor (EQPM-1225-274). The units are to be collocated to within 1–4 meters of one another and sample concurrently. Both units are operated in accordance with the OPX 1025 Operation Manual. This designation applies to PM_{10-2.5} measurements only.

An application for an equivalent method determination for this PM_{10-2.5} method was received by the EPA on July 22, 2025. This monitor is commercially available from the applicant, Met One Instruments, 200 NE Greenfield Drive, Grants Pass, OR 97526.

As designated reference and equivalent methods, these methods are acceptable for use by States and other air monitoring agencies under the requirements of 40 CFR part 58, Ambient Air Quality Surveillance. For such purposes, these methods must be used in strict accordance with the operation or instruction manual associated with these methods and subject to any specifications and limitations (e.g., configuration or operational settings) specified in the designated method descriptions. Consistent or repeated noncompliance with any of these conditions should be reported to the Reference and Equivalency Methods Program.

Use of these methods should also be in general accordance with the guidance and recommendations of applicable sections of the "Quality Assurance Handbook for Air Pollution Measurement Systems, Volume I," EPA/600/R-94/038a and "Quality Assurance Handbook for Air Pollution Measurement Systems, Volume II, Ambient Air Quality Monitoring Program," EPA-454/B-13-003.³ Provisions concerning modification of such methods by users are specified under section 2.8 (*Modifications of Methods by Users*) of Appendix C to 40 CFR part 58.

Questions concerning the commercial availability or technical aspects of these methods should be directed to the applicants.

Aaron Szabo,

Assistant Administrator, Office of Air and Radiation.

Change in Bank Control Notices; Acquisitions of Shares of a Bank or Bank Holding Company

The notificants listed below have applied under the Change in Bank Control Act (Act) (12 U.S.C. 1817(j)) and § 225.41 of the Board's Regulation Y (12 CFR 225.41) to acquire shares of a bank or bank holding company. The factors that are considered in acting on the applications are set forth in paragraph 7 of the Act (12 U.S.C. 1817(j)(7)).

The public portions of the applications listed below, as well as other related filings required by the Board, if any, are available for immediate inspection at the Federal Reserve Bank(s) indicated below and at the offices of the Board of Governors. This information may also be obtained on an expedited basis, upon request, by contacting the appropriate Federal Reserve Bank and from the Board's Freedom of Information Office at <https://www.federalreserve.gov/foia/request.htm>. Interested persons may express their views in writing on the standards enumerated in paragraph 7 of the Act.

Comments received are subject to public disclosure. In general, comments received will be made available without change and will not be modified to remove personal or business information including confidential, contact, or other identifying information. Comments should not include any information such as confidential information that would not be appropriate for public disclosure.

Comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors, Benjamin W. McDonough, Secretary of the Board, 20th Street and Constitution Avenue NW, Washington, DC 20551-0001, not later than July 30, 2026.

A. Federal Reserve Bank of Chicago (Christopher Koopmans, Senior Vice President) 230 South LaSalle Street, Chicago, Illinois 60690-1414.

Comments can also be sent electronically to

Comments.applications@chi.frb.org:

1. *Jennifer Garst Family Trust UW dated March 8, 2022, Iowa State Bank as trustee, both of Des Moines, Iowa, and Elizabeth Garst, as Trust Investment Director, Coon Rapids, Iowa;* to join the Garst Family Control Group, a group acting in concert, to retain voting shares of Greene Investment Co., and thereby indirectly retain voting shares of Home State Bank, both of

Jefferson, Iowa, and Raccoon Valley Bank, Perry, Iowa.

Board of Governors of the Federal Reserve System.

BILLING CODE P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

[Office of Management and Budget #: 0970–0550]

Submission for Office of Management and Budget Review; Office of Refugee Resettlement Unaccompanied Refugee Minors Program Application and Withdrawal of Unaccompanied Refugee Minors Program Application or Declination of Unaccompanied Refugee Minors Program Placement Forms

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Refugee Resettlement is requesting a 3-year

extension with revisions of the Unaccompanied Refugee Minors (URM) Program Application and Withdrawal of URM Program Application or Declination of URM Program Placement Forms (Office of Management and Budget #: 0970–0550, expiration July 31, 2026). Revisions were made to reduce burden and streamline information collection.

DATES: *Comments due* August 14, 2026.

ADDRESSES: The public may view and comment on this information collection request at: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202607-0970-005. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The URM Program Application is completed on behalf of unaccompanied minors in the United States who are applying for entry into the URM Program. The application includes biographical data and information on the child’s needs to support placement efforts. The Withdrawal of URM Program Application or Declination of URM Program Placement Forms are completed when a child is no longer interested in entering the URM Program or is not interested in entering the

placement he/she was offered. These forms will be translated into Spanish, French, and other languages as appropriate. ACF acknowledges that English is the official language and authoritative version of all federal information and will note this on the translated material.

Proposed revisions include reducing the number of open-ended text box questions by 67 percent, changing the format of other questions to allow for quicker responses, cutting unnecessary questions, and revising instructions for enhanced clarity.

Respondents: Case managers, attorneys, or other representatives working with unaccompanied minors who may be eligible for the URM Program.

Annual Burden Estimates

The edits described above will result in a reduction in average burden hours per respondent by 33 percent. The estimated total number of respondents over the next 3 years is expected to be fewer than previously estimated. Overall, the estimated total annual burden hours will be reduced by 48 percent once revisions are implemented. Revisions will be implemented after a 12-month implementation timeframe; the following burden estimates are specific to the revised version following the implementation period.

Instrument	Total number of respondents	Annual number of responses per respondent	Average burden hours per response	Annual burden hours
Unaccompanied Refugee Minors Program Application	350	1	1.00	350
Withdrawal of Application or Declination of Placement Forms	40	1	0.20	8
Estimated Total Annual Burden Hours				358

(Authority: 8 U.S.C. 1522(d).)

Mary C. Jones,
ACF/OPRE Certifying Officer.

BILLING CODE 4184–89–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Meetings of the Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria

AGENCY: Office of the Assistant Secretary for Health, Office of the Secretary, Department of Health and Human Services.

ACTION: Notice; 28th public meeting of the Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria.

SUMMARY: As stipulated by the Federal Advisory Committee Act, the Department of Health and Human Services (HHS) is hereby giving notice that an in-person meeting is scheduled to be held for the Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria (PACCARB). The meeting will be open to the public as well as streamed live on hhs.gov/live. A pre-registered public comment session will be held during the meeting. Pre-registration is required for members of the public who wish to present their comments live during the meeting. Individuals who wish to send in their written public comment should send an

email to CARB@hhs.gov. Registration information is available on the website <http://www.hhs.gov/paccarb> and must be completed by September 1, 2026, to attend and/or provide live comments at the September 9–10, 2026 public meeting. Additional information about registering for the meeting and providing public comment can be obtained at <http://www.hhs.gov/paccarb> on the Upcoming Meetings page.

DATES: The meeting is scheduled to be held on September 9–10, 2026, from 9:00 a.m. to 5:00 p.m. ET (times are tentative and subject to change). The confirmed times and agenda items for the meeting will be posted on the website for the PACCARB at <http://www.hhs.gov/paccarb> when this information becomes available. Pre-
