Certain Mobile Access Equipment and Subassemblies Thereof From the People's Republic of China: Preliminary Results, Preliminary Determination of No Shipments, and Partial Rescission of Antidumping Duty Administrative Review; 2024–2025

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that certain exporters made sales of subject merchandise at less than normal value (NV) during the period of review (POR), April 1, 2024, through March 31, 2025, and that these companies qualify for separate rates. We also preliminarily find that one additional exporter is no longer eligible for a separate rate and that one exporter made no shipments during the POR. Finally, we are rescinding this review with respect to four companies with existing separate rates who had no entries of subject merchandise during the POR. Interested parties are invited to comment on these preliminary results of review.

DATES: Applicable July 16, 2026.

FOR FURTHER INFORMATION CONTACT: Javier Barrientos, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2243.

SUPPLEMENTARY INFORMATION:

Background

On May 20, 2025, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty (AD) order on mobile access equipment and subassemblies thereof (MAE) from the People's

Republic of China (China).¹ On July 8, 2025, Commerce selected Zhejiang Dingli Machinery Co., Ltd. (Dingli) as the sole mandatory respondent in this review.²

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.³ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁴ On February 27, 2026, we extended the deadline for the preliminary results of this review to June 30, 2026.⁵ On June 30, 2026, we further extended the deadline for the preliminary results of this review to July 7, 2026.⁶

For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.⁷ A list of the topics discussed in the Preliminary Decision Memorandum is attached as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS, which is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an AD order where it concludes that there were no suspended entries of subject merchandise during the POR.⁸ Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate for the review period.⁹ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated AD assessment rate for the review period.¹⁰ Commerce notified all interested parties of its intent to rescind the instant review regarding the following four companies because there were no reviewable, suspended entries of subject merchandise from these companies during the POR: (1) Lingong Group Jinan Heavy Machinery Co., Ltd.; (2) Mantall Heavy Industry Co., Ltd.; (3) Noblelift Intelligent Equipment Co., Ltd.; and (4) Sany Marine Heavy Industry Co., Ltd.¹¹ Although we invited interested parties to comment,¹² we received no comments from any interested party.

In the absence of any suspended entries of subject merchandise from these companies during the POR, we are rescinding this administrative review

¹⁰ *See, e.g., Shanghai Sunbeauty Trading Co. v. United States*, 380 F.Supp.3d 1328, 1337 (CIT 2019), at 12 (referring to section 751(a) of the Act, the U.S. Court of International Trade held that “[w]hile the statute does not explicitly require that an entry be suspended as a prerequisite for establishing entitlement to a review, it does explicitly state the determined rate will be used as the liquidation rate for the reviewed entries. This result can only obtain if the liquidation of entries has been suspended”; *see also Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2018–2019*, 86 FR 36102 (July 8, 2021), and accompanying Issues and Decision Memorandum at Comment 4; and *Solid Fertilizer Grade Ammonium Nitrate from the Russian Federation: Notice of Rescission of Antidumping Duty Administrative Review*, 77 FR 65532 (October 29, 2012) (noting that “for an administrative review to be conducted, there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate”).
