Carbon and Alloy Steel Wire Rod From the Republic of Korea: Preliminary Results of Antidumping Duty Administrative Review; 2024-2025

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily finds that POSCO and POSCO

International Corporation (PIC) (collectively, POSCO), a producer and exporter of carbon and alloy steel wire rod (wire rod) from the Republic of Korea (Korea), did not sell subject merchandise in the United States at prices below normal value during the period of review (POR) May 1, 2024, through April 30, 2025. We invite all interested parties to comment on these preliminary results.

DATES: Applicable August 13, 2026.

FOR FURTHER INFORMATION CONTACT: Lingjun Wang, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2316.

SUPPLEMENTARY INFORMATION:

Background

On May 21, 2018, Commerce published in the **Federal Register** the antidumping duty order on wire rod from Korea.¹ On April 8, 2019, Commerce revoked, in part, the *Order* with respect to grade 1078 and higher tire cord quality wire rod used in the production of tire cord wire.² On June 13, 2019, Commerce revoked, in part, the *Order* with respect to valve spring quality wire rod.³ On June 25, 2025, in accordance with 19 CFR 351.221(c)(1)(i), we initiated this review identifying POSCO as the sole producer and exporter subject to this review.⁴

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁵ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025,

⁵ See Memorandum, "Deadlines Affected by the Shutdown of the Federal Government," dated November 14, 2025.

Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁶ In March, June, and July, 2026, we extended the deadline for these preliminary results by 120 days, until August 7, 2026.⁷

For a detailed description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.⁸ The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Commerce is conducting this administrative review in accordance with section 751(a)(1)(B) of Tariff Act of 1930, as amended (the Act).

Scope of the Order

The scope of the *Order* includes certain hot-rolled products of carbon steel and alloy steel, in coils, of approximately round cross section, less than 19.00 mm in actual solid cross-sectional diameter. For a complete description of the scope of the *Order*, *see* the Preliminary Decision Memorandum.⁹

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. Constructed export prices are calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice.

Preliminary Results of Review

We preliminarily determine the following estimated weighted-average

dumping margin exists for the period May 1, 2024, through April 30, 2025:

Producer/exporter	Weighted-average dumping margin (percent)
POSCO/POSCO International Corporation ¹⁰	0.00

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Verification

As provided in 782(i)(3) of the Act, Commerce intends to verify the information relied upon in the final results.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the verification report is issued.¹¹ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹² Interested parties who submit case or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹³

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised

in their briefs.¹⁴ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁵

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.¹⁶ Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act, unless extended.

Assessment Rate

Pursuant to section 751(a)(1)(A) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁷ The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.¹⁸ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S.

⁹ *Id.*

¹⁰ In the 2020–2021 administrative review of the *Order*, we found that POSCO and POSCO International Corporation (PIC) are affiliated and should be treated as a single entity. *See Carbon and Alloy Steel Wire Rod from the Republic of Korea: Preliminary Results of Antidumping Duty Administrative Review; 2020–2021*, 87 FR 33468 (June 2, 2022), and accompanying Preliminary Decision Memorandum, at 5–10, unchanged in *Carbon and Alloy Steel Wire Rod from the Republic of Korea: Final Results of Antidumping Duty Administrative Review; 2020–2021* (October 4, 2022). In the absence of information demonstrating any changes, we are continuing to treat POSCO and PIC as a single entity for purpose of this administrative review.

¹¹ See 19 CFR 351.309(c)(1)(i).

¹² See 19 CFR 351.309(d); *see also Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Service Procedures*).

¹³ See 19 CFR 351.309(c)(2) and (d)(2).

¹⁴ We use the term "issue" here to describe an argument that Commerce would normally address in a comment of the Issues and Decision Memorandum.

¹⁵ See *APO and Service Procedures*.

¹⁶ See 19 CFR 351.310(c).

¹⁷ See 19 CFR 351.212(b).

¹⁸ See section 751(a)(2)(C) of the Act.

Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Pursuant to 19 CFR 351.212(b)(1), if POSCO's weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.5 percent) in the final results of this review, we will calculate an importer-specific *ad valorem* duty assessment rate based on the ratio of the total amount of dumping calculated for the U.S. sales for a given importer to the total entered value of those sales. If, in the final results, either POSCO's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific *ad valorem* assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹⁹

For entries of subject merchandise during the POR produced by POSCO for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate such unreviewed entries pursuant to the reseller policy,²⁰ *i.e.*, the assessment rate for such entries will be equal to the all-others rate established in the investigation (*i.e.*, 41.10 percent), if there is no rate for the intermediate company(ies) involved in the transaction.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for POSCO will be equal to POSCO's weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent, and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this

proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the underlying investigation, and does not have a cash deposit rate from a completed segment of this proceeding, but the producer of the subject merchandise does have a cash deposit rate, then the cash deposit rate will be the rate established for the completed segment for the most recent POR for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 41.10 percent, the all-others rate established in the underlying investigation.²¹ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: August 7, 2026.

Christopher Abbott,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
