AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on steel grating from the People's Republic of China (China) would be likely to lead to continuation or recurrence of countervailable subsidies at the levels indicated in the "Final Results of Sunset Review" section of this notice.

DATES: Applicable September 9, 2026.

FOR FURTHER INFORMATION CONTACT: Mark Hoadley, Office II, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3148.

SUPPLEMENTARY INFORMATION:**Background**

On July 23, 2010, Commerce published the CVD order on steel grating from China.¹ On May 1, 2026, Commerce published the notice of initiation of the second sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.218(c).²

On May 15, 2026, Commerce received a notice of intent to participate in this review from the Metal Grating Coalition (the domestic interested party), within the deadline specified in 19 CFR 351.218(d)(1)(i).³ The Metal Grating Coalition claims that it has interested party status within the meaning of section 771(9)(F) of the Act and 19 CFR 351.102(b)(29)(viii) as an association of producers of the domestic like product.⁴

On June 1, 2026, Commerce received an adequate substantive response from the Metal Grating Coalition, within the 30-day deadline specified in 19 CFR

351.218(d)(3)(i).⁵ Commerce did not receive a substantive response from either the Government of China or a respondent interested party to this proceeding. On June 26, 2026, Commerce notified the U.S. International Trade Commission (ITC) that it did not receive an adequate substantive response from respondent interested parties.⁶ As a result, Commerce conducted an expedited (120-day) sunset review of the *Order*, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)(2) and (C)(2).

Scope of the Order

The product covered by this *Order* is steel grating from China. For a full description of the scope of the *Order*, see the Issues and Decisions Memorandum.⁷
