

TABLE 1—RECIPIENTS AND AWARD AMOUNTS

Grant No.	Award recipient name	City, state	Award amount
U2DMC32394	ZERO TO THREE National Center for Infant, Toddler and Families, Inc.	Washington, DC	\$2,750,000

Justification: In FY 2022, under the authority for Special Projects of Regional and National Significance (SPRANS) (42 U.S.C. 701(a)(2) (Title V, § 501(a)(2) of the Social Security Act)), HRSA awarded the ITCP NRC to ZERO TO THREE National Center for Infant, Toddler and Families, Inc (HRSA–22–074). This award included expectations for the recipient to provide technical assistance to the ITCP (HRSA–22–073) state recipients and support the nationwide implementation and sustainability of the evidence-based ITC approach.

A Congressional Report accompanying the Further Consolidated Appropriations Act, 2024 (Pub. L. 118–47) included funding for this program to “continue and expand research-based Infant-Toddler Court Teams to change child welfare practices to improve wellbeing for infants, toddlers, and their families” (Senate Report 118–84). In addition, the Joint Explanatory Statement accompanying the FY 2024 appropriations act directed HRSA to “allocate funding to ensure continuation of existing grantees, technical assistance, and other activities.” In FY 2024, HRSA provided a supplement of \$1,750,000 in SPRANS to the NRC Program recipient to continue work initiated in FY 2023 with an increased SPRANS appropriation, to expand technical assistance to ITC teams, provide financial and technical support to local infant-toddler court sites that previously received funding under HRSA–18–123, and advance national-level reach and impact of the program.

In addition, a Congressional Report accompanying the FY 2025 appropriations act directed HRSA to “allocate funding to ensure continuation of existing grantees, technical assistance, and support other expansion activities,” (House Report 118–585). In response to the congressional intent, HRSA provided a supplement of \$1,750,000 to the NRC Program recipient in FY 2025 to continue work initiated in prior years to expand technical assistance to ITC teams, provide financial and technical support to local infant-toddler court sites that previously received funding under HRSA–18–123, and advance national-level reach and impact of the program.

A Congressional Report accompanying the Consolidated Appropriations Act, 2026 (Pub. L. 119–75) included an additional \$2,000,000, for a total of \$20,000,000 in funding “for research-based Infant-Toddler Court Teams to change child welfare practices to improve well-being for infants, toddlers, and their families,” (House Report 119–271). The Report also included a directive to “allocate funding to ensure continuation of existing grantees, technical assistance, and support other expansion activities,” (House Report 119–271).

Consistent with congressional intent, HRSA, through its Maternal and Child Health Bureau, will provide a supplement of \$2,750,000 in SPRANS funding to the ITCP NRC Program recipient. This funding will continue the number of ITC teams funded through subawards and continue to provide technical assistance to ITC teams, increase the number of ITC teams funded through subawards to new ITC teams, expand technical assistance to ITC teams funded under HRSA–22–073/074, and advance the national reach and impact of the program.

BILLING CODE 4165–15–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

National Vaccine Injury Compensation Program; List of Petitions Received

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: HRSA is publishing this notice of petitions received under the National Vaccine Injury Compensation Program (the Program), as required by the Public Health Service (PHS) Act, as amended. While the Secretary of HHS is named as the respondent in all proceedings brought by the filing of petitions for compensation under the Program, the United States Court of

Federal Claims is charged by statute with responsibility for considering and acting upon the petitions.

FOR FURTHER INFORMATION CONTACT: For information about requirements for filing petitions, and the Program in general, contact Lisa L. Reyes, Clerk of Court, United States Court of Federal Claims, 717 Madison Place NW, Washington, DC 20005, (202) 357–6400. For information on HRSA’s role in the Program, contact the Director, Division of Injury Compensation Programs, 5600 Fishers Lane, Room 14W–17, Rockville, Maryland 20857; 1–800–338–2382, or visit our website at: <https://www.hrsa.gov/vaccine-compensation>.

SUPPLEMENTARY INFORMATION: The Program provides a system of no-fault compensation for certain individuals who have been injured by specified childhood vaccines. Subtitle 2 of Title XXI of the PHS Act, 42 U.S.C. 300aa–10 *et seq.*, provides that those seeking compensation are to file a petition with the United States Court of Federal Claims and to serve a copy of the petition to the Secretary of HHS, who is named as the respondent in each proceeding. The Secretary has delegated this responsibility under the Program to HRSA. The Court is directed by statute to appoint special masters who take evidence, conduct hearings as appropriate, and make initial decisions as to eligibility for, and amount of, compensation.

A petition may be filed with respect to injuries, disabilities, illnesses, conditions, and deaths resulting from vaccines described in the Vaccine Injury Table (the Table) set forth at 42 CFR 100.3. This Table lists for each covered childhood vaccine the conditions that may lead to compensation and, for each condition, the time period for occurrence of the first symptom or manifestation of onset or of significant aggravation after vaccine administration. Compensation may also be awarded for conditions not listed in the Table and for conditions that are manifested outside the time periods specified in the Table, but only if the petitioner shows that the condition was caused by one of the listed vaccines.

Section 2112(b)(2) of the PHS Act, 42 U.S.C. 300aa–12(b)(2), requires that “[w]ithin 30 days after the Secretary

receives service of any petition filed under section 2111 the Secretary shall publish notice of such petition in the **Federal Register**.” Set forth below is a list of petitions received by HRSA on August 1, 2026, through August 31, 2026. This list provides the name of the petitioner, city, and state of vaccination (if unknown then the city and state of the person or attorney filing the claim), and case number. In cases where the Court has redacted the name of a petitioner and/or the case number, the list reflects such redaction.

Section 2112(b)(2) also provides that the special master “shall afford all interested persons an opportunity to submit relevant, written information” relating to the following:

1. The existence of evidence “that there is not a preponderance of the evidence that the illness, disability, injury, condition, or death described in the petition is due to factors unrelated to the administration of the vaccine described in the petition,” and

2. Any allegation in a petition that the petitioner either:

a. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition not set forth in the Vaccine Injury Table but which was caused by one of the vaccines referred to in the Table, or

b. “[S]ustained, or had significantly aggravated, any illness, disability, injury, or condition set forth in the Vaccine Injury Table the first symptom or manifestation of the onset or significant aggravation of which did not occur within the time period set forth in the Table but which was caused by a vaccine” referred to in the Table.

In accordance with Section 2112(b)(2), all interested persons may submit written information relevant to the issues described above in the case of the petitions listed below. Any person choosing to do so should file an original and three copies of the information with the Clerk of the United States Court of Federal Claims at the address listed above (under the heading “For Further Information Contact”), with a copy to HRSA addressed to Director, Division of Injury Compensation Programs, Health Systems Bureau, 5600 Fishers Lane, 14W-17, Rockville, Maryland 20857. The Court’s caption (*Petitioner’s Name v. Secretary of HHS*) and the docket number assigned to the petition should be used as the caption for the written submission. Chapter 35 of Title 44, United States Code, related to paperwork reduction, does not apply to

information required for purposes of carrying out the Program.

Thomas J. Engels,
Administrator.

List of Petitions Filed

1. Aida Caron, Clermont, Florida, Court of Federal Claims No: 26–1103V
2. Anissa McClaron-Newkirk on behalf of Ursula Miller, San Diego, California, Court of Federal Claims No: 26–1106V
3. Emily Corbin, Dent, Kentucky, Court of Federal Claims No: 26–1107V
4. Kelley Ard, Anchorage, Alaska, Court of Federal Claims No: 26–1111V
5. Sherri Eisinger, Ocoee, Florida, Court of Federal Claims No: 26–1112V
6. Cynthia Wright, Somerville, New Jersey, Court of Federal Claims No: 26–1113V
7. Karen Knox, Marietta, Georgia, Court of Federal Claims No: 26–1115V

BILLING CODE 4165–15–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Healthy Start Self-Measured Blood Pressure Monitoring

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice of supplemental funding.

SUMMARY: Through the Supporting Healthy Start Performance Project cooperative agreement (HRSA–24–038), HRSA provides funding to the National Institute for Children's Health Quality (NICHQ) to provide technical assistance and support to Healthy Start Initiative (Healthy Start) award recipients. HRSA will provide supplemental award funds to NICHQ in Fiscal Year (FY) 2026 to support the implementation of the Healthy Start Self-Measured Blood Pressure Monitoring initiative for Healthy Start award recipients.

FOR FURTHER INFORMATION CONTACT: Mabatemije Otubu, RN, MPH, Public Health Analyst, Division of Healthy Start and Perinatal Services, Maternal and Child Health Bureau, HRSA, at motubu@hrsa.gov and (301) 594–4462.

SUPPLEMENTARY INFORMATION: *Intended Recipient(s) of the Award:* The National Institute for Children's Health Quality. *Amount of Non-Competitive Award:* \$500,000.

Project Period: June 1, 2026, to May 31, 2027.

Assistance Listing Number: 93.926.

Award Instrument: Cooperative agreement.

Authority: 42 U.S.C. 254c–8 (Title III, § 330H of the Public Health Service Act).
