Abstract: The Department of Education (Department) is requesting emergency processing for a revision to an existing information collection. The Department provides this form, 1845–0110 Public Service Loan Forgiveness (PSLF) & Temporary Expanded PSLF (TEPSLF) Certification & Application form, which is used by student loan borrowers to apply for Public Service Loan Forgiveness (PSLF). Borrowers complete this form to have their qualifying employment certified and their progress toward forgiveness recorded in our system. They are encouraged to submit this form annually but are only required to submit it at the point that they have reached the requisite 120 qualifying months of repayment.

On March 7, 2025, President Trump signed an executive order titled Restoring Public Service Loan Forgiveness (E.O. 14325) making individuals employed by organizations whose activities have a substantial illegal purpose ineligible for PSLF.

The Department held public hearings on April 29 and May 1, 2025, and engaged in the negotiated rulemaking process by convening a committee of higher education stakeholders and experts in July of 2025. On August 18, 2026, the Department published a Notice of Proposed Rulemaking (FR 90 FR 40154) and collected public comments on the proposed regulations until September 17, 2025.

As explained in the Final Regulations published on October 31, 2025 (90 FR

48966), 34 CFR 685.219(i) required an update to the approved Public Service Loan Forgiveness Certification and Application, OMB #1845–0110. To comply with E.O. 14325, a revision to the form was made to include the addition of an attestation statement, under penalty of perjury, that the employer has not engaged in any activity that has a substantial illegal purpose on or after July 1, 2026.

On Tuesday, June 30, 2026, a Federal judge vacated the rule; one day prior to the rule becoming effective. The Department is now removing the attestation from the PSLF form in order to comply with the court order. No other changes have been made at this time.

Ross Santy,

Chief Data Officer, Office of Planning, Evaluation and Policy Development.
