[For the National Credit Union Administration statement of organization, see the *Code of Federal Regulations*, Title 12, Part 720]

The National Credit Union Administration is responsible for chartering, insuring, supervising, and examining Federal credit unions and administering the National Credit Union Share Insurance Fund. The Administration also administers the Community Development Revolving Loan Fund and manages the Central Liquidity Facility, a mixed-ownership Government corporation whose purpose is to supply emergency loans to member credit unions.

The National Credit Union Administration was established by act of March 10, 1970 (12 U.S.C. 1752), and reorganized by act of November 10, 1978 (12 U.S.C. 226), as an independent agency in the executive branch of the Federal Government. It regulates and insures all Federal credit unions and insures State-chartered credit unions that apply and qualify for share insurance.

Activities

Chartering The Administration grants Federal credit union charters to groups

sharing a common bond of occupation or association, or groups within a well-defined neighborhood, community, or rural district. A preliminary investigation is made to determine if certain standards are met before granting a Federal charter.

For further information, contact the appropriate regional office listed in the following table.

Examinations The Administration regularly examines Federal credit unions to determine their solvency and compliance with laws and regulations

and to assist credit union management and operations.

For further information, contact the Director, Office of Examination and Insurance. Phone, 703-518-6360.

Share Insurance The act of October 19, 1970 (12 U.S.C. 1781 *et seq.*), provides for a program of share insurance. The insurance is mandatory for Federal credit unions. State-chartered credit unions, in many States, are required to have Federal share insurance and it is optional for other State-chartered credit unions. Credit union members' accounts are insured up to \$100,000. The National Credit Union

Share Insurance Fund requires each insured credit union to place and maintain a 1 percent deposit of its insured savings with the Fund.

For further information, contact the Director, Office of Examination and Insurance. Phone, 703-518-6360.

Supervision Supervisory activities are carried out through regular examiner contacts and through periodic policy and regulatory releases from the Administration. The Administration also identifies emerging problems and monitors operations between examinations.
