The National Endowment for the Arts is an independent agency dedicated to supporting excellence in the arts—both new and established—bringing the arts to all Americans, and providing leadership in arts education.

The National Endowment for the Arts enriches our Nation and its diverse cultural heritage by supporting works of	artistic excellence, advancing learning in the arts, and strengthening the arts in communities throughout the country.

Grants are made to nonprofit arts organizations, units of State or local government (such as school districts and local arts agencies), and federally recognized tribal communities or tribes, for dance, design, folk and traditional arts, literature, media arts, multidisciplinary, museum, music, musical theater, opera, presenting, theater, and visual arts projects. Competitive fellowships are awarded to published creative writers and literary translators of exceptional talent; honorific fellowships are given to jazz masters and significant, influential master folk and traditional artists. The Arts Endowment also works in partnership with the 56 State and special jurisdictional arts agencies and their

regional arts organizations to support projects that foster creativity, preservation, arts learning, and outreach to underserved communities. The Arts Endowment dedicates 40 percent of its program appropriation to this purpose.
