

The United States Government Manual 2015

**Office of the Federal Register
National Archives and Records Administration**

Revised July 1, 2015

Oliver Potts,
Director of the Federal Register.

David S. Ferriero,
Archivist of the United States.

Preface

As the official handbook of the Federal Government, *The United States Government Manual* provides comprehensive information on the agencies of the legislative, judicial, and executive branches. The *Manual* also includes information on quasi-official agencies; international organizations in which the United States participates; and boards, commissions, and committees.

A typical agency description includes a list of principal officials, a summary statement of the agency's purpose and role in the Federal Government, a brief history of the agency, including its legislative or executive authority, a description of its programs and activities, and a "Sources of Information" section. This last section provides information on consumer activities, contracts and grants, employment, publications, and many other areas of public interest.

The *Manual* is also available and periodically updated on its own website. The U.S. Government Manual website (usgovernmentmanual.gov) is jointly administered by the Office of the Federal Register (OFR)/Government Printing Office (GPO) partnership. The website offers three ways to find information about Government agencies and organizations by entering a term in the keyword search box, browsing categories, or using "The Government of the United States" site map for an overview of the Government. For more information and to view *The Manual* online, go to www.usgovernmentmanual.gov.

The 2015 *Manual* was prepared by the Presidential and Legislative Publications Unit, Office of the Federal Register. Alfred W. Jones was Team Leader; Joseph Frankovic was Managing Editor; assisted by Lois Davis, Joshua Liberatore, Joseph Vetter, Edgar G. Gibbs, Ryan R. Nolan, Andrew Schenk, and Tina Vilca.

THE FEDERAL REGISTER AND ITS SPECIAL EDITIONS

The *Manual* is published as a special edition of the *Federal Register* (see 1 CFR 9.1). Its focus is on programs and activities. Persons interested in detailed organizational structure, the regulatory documents of an agency, or Presidential documents should refer to the Federal Register or one of its other special editions, described below. Issued each Federal working day, the *Federal Register* provides a uniform system for publishing Presidential documents, regulatory documents with general applicability and legal effect, proposed rules, notices, and documents required to be published by statute. For more information and to look at the Federal Register online, go to www.federalregister.gov.

The Code of Federal Regulations is an annual codification of the general and permanent rules published in the Federal Register. The Code is divided into 50 titles that represent broad areas subject to Federal regulation. The Code is kept up to date by the individual issues of the Federal Register. For more information and to look at the Code of Federal Regulations online, go to www.gpo.gov/fdsys/browse/collectionCfr.action?collectionCode=CFR.

The *Compilation of Presidential Documents* serves as a timely, up-to-date reference source for the public policies and activities of the President. It contains remarks, news conferences, messages, statements, and other Presidential material of a public nature issued by the White House. The *Compilation of Presidential Documents* collection is composed of the *Daily Compilation of Presidential Documents* and its predecessor, the *Weekly Compilation of Presidential Documents*. For more information and to look at the Presidential documents online, go to www.gpo.gov/fdsys/browse/collection.action?collectionCode=CPD. The *Compilation of Presidential Documents* now has a free mobile application at www.gpo.gov/mobile.

A companion publication to the *Compilation of Presidential Documents* is the *Public Papers*

of the Presidents, which contains public Presidential documents and speeches in convenient book form. Volumes of the Public Papers have been published for every President since Herbert Hoover, with the exception of Franklin D. Roosevelt, whose papers were published privately. For more information and to view the Public Papers online, go to www.gpo.gov/fdsys/browse/collection.action?collectionCode=PPP.

OTHER OFFICE OF THE FEDERAL REGISTER PUBLICATIONS

The Office of the Federal Register publishes slip laws, which are pamphlet prints of each public and private law enacted by Congress. Slip laws are compiled annually as the *United States Statutes at Large*. For more information and to look at the slip laws online, go to www.gpo.gov/fdsys/browse/collection.action?collectionCode=PLAW. The *Statutes at Large* volumes contain all public and private laws and concurrent resolutions enacted during a session of Congress; recommendations for executive, legislative, and judicial salaries; reorganization plans; proposed and ratified amendments to the Constitution; and Presidential proclamations. Included with many of these documents are sidenotes, *U.S. Code* and statutes citations, and a summary of their legislative histories. For more information and to look at the *Statutes at Large* online, go to www.gpo.gov/fdsys/browse/collection.action?collectionCode=STATUTE.

ELECTRONIC SERVICES

The Office of the Federal Register maintains an Internet site for the Federal Register's public inspection list, and information on the Office and its activities at www.ofr.gov. This site also contains links to the texts of *The United States Government Manual*, public laws, the *Compilation of Presidential Documents*, the *Federal Register*, and the *Code of Federal Regulations* (both as officially published on a quarterly basis and an unofficial, daily updated version, the e-CFR) in electronic format through the GPO's Federal Digital System (FDsys) at www.fdsys.gov.
