Supplement No. 3

October 28, 1953

PLANT QUARANTINE IMPORT RESTRICTIONS
OF THE
REPUBLIC OF CUBA

According to Law-Decree No. 38 of April 29, 1952, published in Official Gazette No. 102 of May 2, 1952, of Cuba, the following rule has been established to prevent any possible spread of the Hoof-and-mouth disease virus in that Republic.

FUMIGATION REQUIRED FOR STRAW AND HAY FOR PACKING

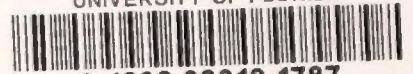

All imported merchandise packed in straw or hay is required to be fumigated upon entry into Cuba, whether or not such shipments were fumigated at their point of origin.

Any article or commodity packed with excelsior or any other packing material is exempt from the above fumigation requirement.

W. L. Popham

Acting Chief, Bureau of Entomology and Plant Quarantine
