PLANT QUARANTINE IMPORT RESTRICTIONS
OF THE
REPUBLIC OF NICARAGUA

This revised summary of the plant quarantine import restrictions of Nicaragua, superseding those contained in B. E. P. Q. 445 for Central America, is presented for the information of exporters of plants and plant products to that country and for plant quarantine officials.

It was prepared by R. G. Oakley of the Division of Plant Quarantines from a translation of Presidential Decree No. 25 of April 7, 1949, effective May 2, 1949.

The information contained in this circular is believed to be correct and complete up to the time of preparation, but it is not intended to be used independently of, nor as a substitute for, the original text, nor is it to be interpreted as legally authoritative. The original Decree should be consulted for the exact text.
