B. E. P. Q.-379, Supplement No. 1

September 1, 1936.

PLANT-QUARANTINE IMPORT RESTRICTIONS

OF THE

REPUBLIC OF BRAZIL

DISINFECTION OF CHESTNUTS REQUIRED

(Resolution of Jan. 25, 1936; Diario Official Jan. 29, 1936)

Article 1. The obligatory certification of the disinfection of chestnuts (Castanea vulgaris) imported from any source, is hereby established.

The presence of the lepidopteron Laspeyresia sp., and of the coleopteron Balaninus sp., in any stage of development, being verified by inspection in the port of destination, the Servico de Defesa Sanitaria Vegetal, at the request and expense of the consignees, will subject the shipment to a new disinfection, providing that the infestation does not exceed 2 percent, the interested persons being subjected to other precautionary measures deemed necessary.

AVERY S. HOYT,
Acting Chief, Bureau of Entomology and Plant Quarantine.
