[H. R. 8473]

AN ACT To provide for the compiling and publishing of the Official Register of the United States

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the United States Civil Service Commission shall cause to be compiled, edited, indexed, and published each year an Official Register of the United States, which shall contain a full and complete list of all persons occupying administrative and supervisory positions in the legislative, executive, and judicial branches of the Government, including the District of Columbia, in connection with which salaries are paid from the Treasury of the United States. SEC. 2. To enable the United States Civil Service Commission to compile and publish the Official Register of the United States as early as practicable after the first of June of each year, the Executive Office, the legislative and judicial branches of the Government, the Commissioners of the District of Columbia, and the head of each executive department, independent office, establishment, and commission of the Government shall, as of the 1st day of May of each year, beginning with May 1, 1936, supply to the United States Civil Service Commission the data required by this Act, upon forms approved and furnished by the Commission, in due time to permit the publication of the Official Register as herein provided; and no extra compensation shall be allowed to any officer, clerk, or employee of the United States Civil Service Commission for compiling the Official Register.

[19] The Institute of Inter-American Affairs, a United States Government corporation operating under the authority of the Department of State since termination of the Office of Inter-American Affairs in 1946, was reincorporated for a period of three years by an Act of Congress, approved by President Truman, August 5, 1947. The new corporation charter merged the Inter-American Educational Foundation, Inc., into the Institute as its Education Division.
The management of the Institute is vested in a Board of Directors. Each member is appointed by the Secretary of State. The Secretary also appoints the Chairman of the Board.

SMITHSONIAN INSTITUTION

The Smithsonian Institution was created by act of Congress in 1846, under the terms of the will of James Smithson, an Englishman, who in 1829 bequeathed his fortune to the United States to found, at Washington, under the name of the "Smithsonian Institution," an establishment for the "increase and diffusion of knowledge among men." The Smithsonian fund has been increased by other bequests and gifts. The Institution is legally an establishment having as its members the President of the United States, the Vice President, the Chief Justice, and the President's Cabinet. It is governed by a board of regents appointed by joint resolution of Congress, all of whom serve without compensation. The Secretary of the Smithsonian Institution is its executive officer and the director of its activities.
