| 1     | Extends from the northeastern boundary of the United States to include Hampton Harbor, New Hampshire. Covers the coasts of Maine and New Hampshire.                                                    | Frank Wildes, Commander, U. S. N., Portland, Me.     | W. S. Stanton, Major of Engineers, U. S. A., Boston, Mass. |
| 2     | Extends from Hampton Harbor, New Hampshire, to Sakonnet Point, mouth of Sakonnet River, Rhode Island. Covers the coast of Massachusetts, except a small portion of Narragansett Bay and Taunton River. | Albert S. Barker, Commander, U. S. N., Boston, Mass. | W. S. Stanton, Major of Engineers, U. S. A., Boston, Mass. |

## Light-House Districts and Local Officers.

| Dist. | Limits of district.                                                                                                                                                                                                                                                                                                                                                             | Name and residence of inspector.                               | Name and residence of engineer.                                                      |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------|--------------------------------------------------------------------------------------|
| 3     | Extends from Sakonnet Point, Rhode Island, to include Squan Inlet, New Jersey. Covers the sea and sound coasts of Rhode Island, Connecticut, New York and New Jersey above the Highlands of Navesink; Narragansett, New York, and Mount Hope bays; Taunton, Providence, Connecticut, Hudson, East, and Raritan rivers; Whitehall Narrows, and lakes Champlain and Memphremagog. | Frederick Rodgers, Commander, U. S. N., Tompkinsville, N. Y.   | D. P. Heap, Major of Engineers, U. S. A., Tompkinsville, Staten Isl- and, N. Y.      |
| 4     | Extends from Squan Inlet, New Jersey, to and including Metompkin Inlet, Virginia. Covers the sea-coasts of New Jersey below the Highlands of Navesink, Delaware, Maryland, and part of Virginia; Delaware Bay, and the Delaware and Schuylkill Rivers.                                                                                                                          | John J. Read, Commander, U. S. N., Philadelphia, Pa.           | Edward Maguire, Captain of Engineers, U. S. A., Philadelphia, Pa.                    |
| 5     | Extends from Metompkin Inlet, Virginia, to include New River Inlet, North Carolina. Covers part of the sea coasts of Virginia and North Carolina; Chesapeake Bay and tributaries, and the sounds of North Carolina and tributaries.                                                                                                                                             | Silas Casey, Captain, U. S. N., Baltimore, Md.                 | J. C. Mallery, Captain of Engineers, U. S. A., Baltimore, Md.                        |
| 6     | Extends from New River Inlet, North Carolina, to Jupiter Inlet, Florida. Covers part of the coast of North Carolina, the coasts of South Carolina and Georgia, and part of the coasts of Florida; the Cape Fear, Savannah, Indian, and St. John's Rivers.                                                                                                                       | R. D. Hitchcock, Lieut. Commander, U. S. N., Charleston, S. C. | J. C. Mallery, Captain of Engineers, U. S. A., Baltimore, Md., and Charleston, S. C. |
| 7     | Extends from Jupiter Inlet to include the Perdidio River, and covers the Atlantic and Gulf coasts of Florida within those limits.                                                                                                                                                                                                                                               | G. Blocklinger, Lieutenant, U. S. N., Pensacola, Fla.          | Walter L. Fisk, Captain of Engineers, U. S. A., New Orleans, La.                     |
| 8     | Extends from the Perdidio River, Florida, to the southern boundary of Texas. Covers the coasts of Alabama, Mississippi, Louisiana, and Texas; Mississippi Sound, Chicot Pass, Grand Lake, and lakes Borgne and Pontchartrain; Mobile, Atchafalaya, Galveston and Matagorda bays, and Mississippi River from mouth to New Orleans.                                               | W. W. Mead, Lieut. Commander, U. S. N., New Orleans, La.       | Walter L. Fisk, Captain of Engineers, U. S. A., New Orleans, La.                     |
| 9     | Extends from the narrowest point of the Straits of Mackinac, including McGulpin's Point light-house, and comprises all of Lake Michigan and Green Bay, and tributary waters.                                                                                                                                                                                                    | C. E. Clark, Commander, U. S. N., Chicago, Ill.                | William Ludlow, Major of Engineers, U. S. A., Detroit, Mich.                         |
| 10    | Extends from the mouth of the St. Regis River, New York, to include Grassy Island light-house, Detroit River, Michigan. Covers the American shores and waters of lakes Erie and Ontario, the St. Lawrence, Niagara, and Lower Detroit Rivers.                                                                                                                                   | C. V. Gridley, Commander, U. S. N., Buffalo, N. Y.             | L. C. Overman, Major of Engineers, U. S. A., Cleveland, Ohio.                        |
| 11    | Extends from Grassy Island light-house, Detroit River, to the head of Lake Superior. Covers the American shores and waters of Detroit River, above Grassy Island, and lakes St. Clair, Huron, and Superior; part of the Straits of Mackinac, and St. Mary's and St. Clair Rivers.                                                                                               | Horace Elmer, Commander, U. S. N., Detroit, Mich.              | William Ludlow, Major of Engineers, U. S. A., Detroit, Mich.                         |
| 12    | Extends from the boundary line between California and Mexico to the boundary line between California and Oregon. Covers all the sea-coast, bays, and rivers of California.                                                                                                                                                                                                      | Nicoll Ludlow, Commander, U. S. N., San Francisco, Cal.        | W. H. Heuer, Major of Engineers, U. S. A., San Francisco, Cal.                       |
| 13    | Extends from the southern boundary of Oregon to British Columbia. Covers the coasts of Oregon and Washington Territory; Puget Sound, Washington Sound, the Columbia and Willamette Rivers; the American shores and waters of the Straits of Juan de Fuca, and includes the coast of Alaska.                                                                                     | Uriel Sebree, Lieut. Commander, U. S. N., Portland, Oregon.    | Thomas H. Handbury, Major of Engineers, Portland, Oregon.                            |
| 14    | Includes all the aids to navigation on the Ohio, Tennessee and Great Kanawha Rivers.                                                                                                                                                                                                                                                                                            | Holman Vail, Lieut. Commander, U. S. N., Cincinnati, Ohio.     | W. E. Merrill, Lieut. Colonel of Engineers, U. S. A., Cincinnati, Ohio.              |
| 15    | Includes all aids to navigation on the Missouri and Illinois rivers, and on the Mississippi River from the head of navigation to Cairo, Ill.                                                                                                                                                                                                                                    | Charles S. Cotton, Commander, U. S. N., St. Louis, Mo.         | Charles R. Suter, Lieut. Colonel of Engineers, U. S. A., St. Louis, Mo.              |
| 16    | Includes all aids to navigation on the Mississippi River, from Cairo, Ill., to New Orleans, La., and also about 8 miles of the Red River from its mouth.                                                                                                                                                                                                                        | E. M. Hughes, Lieutenant, U. S. N., Memphis, Tenn.             | Charles R. Suter, Lieut. Colonel of Engineers, U. S. A., St. Louis, Mo.              |
